# Words from the Chapter Director

We are glad to finally be getting some decent riding weather. We will be taking our pre-ride over to Rogers City this Saturday. We are going to find the best roads for our Saturday Campout Ride.

We did well at our ticket sales in Rogers City and Gaylord. We have two sales left. We asked for more tickets so we don't have to worry about running out. Roland and Jennifer went with us to Fife Lake for a Swear Inn last Saturday. Roland and Jennifer are now the official Ride Coordinators. We are working on the details for the campout. We have several items for our Chinese auction so make sure you have room to take things home with you – especially the Canadians.

We want to wish Roland Lempke and Denny Jessick a Happy Birthday. Roland's is May 21 and Denny's is the day before. Does that make Denny older? A belated Birthday to Rod Altman. It was April 30.

## Ticket Sales

May 26 – Onaway

June 2 – Cheboygan

We will start the sales each day at 10:00 and end at 2:00.

## Upcoming Events

June 8-10 – Chapter Z Campout – Flywheelers

June 22-24 – Northern Section Campout – Gladwin County Fairgrounds

July 7 – Rider Ed ARC (Advanced Rider Course) – Sault St Marie

## Rider Ed –

Summer in Michigan,

The calendar only says spring, but we've had some hot, sunny weather and great biking weather. Don't forget the Michigan Road Safari—we've been to three of the places and had fun while talking to new friends.

Rider Courses have been going well, but there's still room for more participants. We'll be at the Oakland County Courthouse in Pontiac on June 9<sup>th</sup>, Grayling on June 30<sup>th</sup>, and Sault Ste Marie on July 7<sup>th</sup>. No classes have been cancelled at the present time, although we have no one signed up for TRC in Pontiac. We have been informed that some of you are sharing with other members that classes in Grayling have been cancelled—this is not true. Please read the Rider Course Registration form; it explains that you will be notified by a confirmation email two weeks before the requested course. If you wish to sign up on short notice, simply call us and ask if there is room still available. We will tell you on the phone and then send you a confirmation email. If you are worried that we have not received your registration, simply email us at the address on the form: [michrider@gmail.com](mailto:michrider@gmail.com) and we will respond. Also, do not expect your check to be cashed prior to the class—we reserve the right to accept cancellations and refund your money. We cannot refund your money as Rider Education does not have separate account; it is easier to send your check back to you if scheduling conflicts arise and you notify us prior to the class.

The latest copy of the Officers Insight Newsletter can be found online at <http://www.gwrra.org/oconnect/newsletter.html> is available. Our GWRRRA President Anita suggests that we send out the printout of chapter members levels information to the Chapter Directors. So we will be sharing that with each Chapter Director in a separate email. Please remember that this information is only to be shared with the individual member. As officers we've all signed a Confidentiality Agreement of Member Information, and Levels Information is not to be shared with any other member.
