Words from the Chapter Director –

Mike, Carol, Roland and Jennifer attended the District Rally in Marshall, Michigan and, as you can see, we did well. I think everyone knows about our small chapter now. Also, the Northern Section is very strong. We spent a lot of time together as a section. We can even put on a spontaneous potluck and had food leftover. Mike and Carol managed to go on several rides, while Roland and Jennifer went on a short ride and took the Medic First Aid course. The highlight of the weekend was the Friday night entertainment. The best dressed individuals, couples, and chapters were fantastic. The audience thoroughly loved the Possum Queen Contest.

Rider Ed –

August Sunshine,

The District Rally was a good time with a lot of fun, mixed in with some threats of storms and some rain. Enough of you visited the Rider Ed table to bring in just over \$1,000 at our tables of fun and games. Thank you to Ron and Jan Smith, and to Tyrone Scott, who helped us so much during the days at the table. Thank you to Brent Blackburn for presenting the Co-Rider Seminar and to Dave Preston from Ohio and Kathy Williams from Florida for teaching the Road Captain Seminar.

Wing Ding is just around the corner, and if you are like us, it is your one one-week vacation of the year. I'll be flying in to Knoxville Tuesday night from Washington, DC after another 2 ½ weeks of working there, while Dennis will be driving in on Tuesday to attend the Rider Course Instructor meeting so that he will be prepared to teach first thing Wednesday morning.

There are a lot of seminars, modules, and Rider Courses available, and a lot of fun times. Tennessee is a beautiful state with lots to do. Find a group of friends that are willing to go for a ride, to sit in the air conditioning for an hour and a half and learn something new. Meet more new friends while doing these things, and spread the word that learning keeps you young!

Safe riding,
Dennis and Felicia
MI-DE
