DISTRICT DIRECTORS

Bob and Kim Scott
MI District Directors

The 2014 Michigan District Rally is now in the books and if you were not able to attend, you missed a good one. Yours truly and the little wife are now the new rookie District Directors for the great state of Michigan. We are absolutely honored to have been chosen to lead and work for our friends as we all move forward. Our District has been blessed with the hard work and direction that Kim and Sandy Bergeron have shared with us for the last two years. Kim and I have been working very well together to make this a smooth transition and I think the winners will be our members.

Even though Kim and I have been to eighteen different chapters and have been to about 7 District Rallies and as many wingless weekends, it's still likely probably half of our membership don't know us or can't recall us. So if you care to read just a little, I'll give you a quick once over of a life well spent (my opinion only)! Kim and I are both originally from the Pontiac, Mi. area, both graduating from Pontiac Central. I rode a Cushman Eagle in high school and have been riding ever since. We were married in 1962 and have three children, six grand kids. I have worked many jobs in career, mostly as a mechanic beginning as a diesel mechanic in the Navy for four years, twelve years as a Machinist for Grand Trunk RR repairing locomotives, and probably 25 years as a motorcycle/snowmobile mechanic and business owner. My wife Kim retired after 30 years with the Berkley Mi. school district. In 1985, we bought a brand new 1984 Gold Wing. We took one long ride to the east coast, going to Cape Cod then up the coast to Bar Harbor, Maine and then back through Canada. By 1989, we moved to Gladwin and I opened a motorcycle, ATV and snowmobile business. We retired in 2006 and decided to try another Gold Wing. I had known Clark Wentz since 1971 so we thought we should give Chapter J-2 a try. It's been said so many times before but we just thought we wanted to find someone to ride with, but they have become our friends. You know your family you don't get to pick, but friends come along based on their merit. As we have gone to other chapters, state, region, and Wing Ding our circle of friends has continued to grow. We don't want to miss any of them because of the friends along the way. There is much more to our lives but I don't want to bore you. I hope our new position gives us all a chance to meet. A good

place to start might be the Region D Rally on Sept. 11th /14th at the Noble County Fairgrounds in Kendallville, Indiana. The registration form is available on line on the Region D web site. It's a great location for Michigan riders, just south of the state line, West of Angola, East of Shipshewana. They have some great rides, bike games, vendors, a nice campground, a Thursday evening diner ride. Lots to do and best of all, more friends!

Your Friends and District Directors,
Bob & Kim Scott

MI District Rally - Convention - Block Party!

Fun on Main Street

Assistant District Directors Northern Section

Frank & Debbie King
Assistant District Director
Northern Section— Special Projects

Life is awesome in the Northern Section Country. I'm not sure how to start this article with all the things that are going on here in the section, well I will try to get things going in a clear and proper manner. Wow, that's sounds like a pile of dung just waiting to get stepped in.

Michigan Rally started off the month of August and it was our first rally at our new jobs of Assistant District Directors. We arrived on Wednesday and set things up, oh I should say it was setting

up the camper and out camping site. Debbie and I had so much fun last year putting people into the little jail that Ron Smith created, driving around with Ken Frechette dressed as a "OPP" Ontario Provincial Police Officer to raise money for Riders Ed. This year we were "Red and Green", are you kidding me. I watched 1 episode of that crazy show and realized I needed to dress as Harold the wacky side kick. I found all the clothing Harold wears and even the nutty glasses, I can tell you that it was a blast doing the Rally this year also.

Deb and I worked on the Raffle table, 50/50 and the Possum Patrol. Giving the cold drink holders out to people turned out to be a pretty funny thing as I explained how they worked and of course all the other options you could use them for...

We have to purchase a license for the 50/50 draw and the state puts how much we can collect for each drawing, some of you were not happy when we stopped selling the tickets so we wouldn't go over. I can say that we are listening and we are going to try to get the state to give us the highest one we can get, that way I won't ever have to say "tickets are no longer available", you'll only hear "how many would you like"...

Chapter Q had there camp-out on August 8-9, they had roughly 75 people there to eat, ride and enjoy all the festivities. Chapters there came from all over and I mean all over. They had Chapters J, J2, V, Ontario H, Y, Q, ADD from Kansas City, KS and Chapter ABA from Calgary, Alberta Canada. The Northern Section will be holding their section camp-out next year in Sault Ste Marie at Chapter Q's Camp-out so watch for the flyer coming out soon, just so you can have a heads up.

Remember that Chapter Y's gathering was moved back one week till the 17th at 9 am breakfast and

the meeting to be at 10 am, oh it's at Fred's in Roscommon and the food is fantastic...

Ontario H is having their Camp-out September 5/6 in Sault Ste Marie, Canada this year and all the camp sites at KOA are waiting for you to call, hotels are right around the corner and so send in your registration. There are a few cabins available at the campground if that works for you, don't forget the "Order of the Hatchet" if you're not a members yet. I can fill in the blanks as to what happens when you are there, but I'd have to "smuck" you if I tell you "It's a secret".

There is lots of rides going on and some good eateries out there for a snack or two, yes ice creams everywhere also. Here in the Upper Peninsula the weekend of the 15/16/17th is the Blueberry Festival in Paradise. Going to the Midnight Ride, come on up for some Blueberry anything, oh yes I said it correctly "Blueberry anything". There will be ice cream, pancakes, waffles and if you can think it up, they will make it for you.

I have some photo's from the camp-out but I just returned home and we are whooped, so with that in mind I will say good night to all and hope to see you on the road or a gathering in weeks to come...

Till next time, ride safe, be well,
Frank & Debbie King

Webmaster, COY Coordinators

DISTRICT TRAINERS

Hello Michigan members! We had a great time at the Michigan Rally - Convention and our 4 LTP Seminars were presented by new trainers who were presenting for the first time since they attended

Gold Wing University Training back in January. Thanks to our Region D Trainer, Kathleen Heibel they will all be certified to present LTP seminars. Once they are certified, a trainer needs to do 2 seminars every 2

years to remain certified. With the number of new and existing trainers that we have - some seminars will need to be done at the Chapter level since a limited number can take place at Wingless Weekend and the Rally. The new trainers being certified were Rob & Pam Robinson (D2), Craig & Tanya White (W), Tina Hall (W2), and Don Smith (F2). They will all get their LTP patches and pins in the near future. Please thank them for their volunteer work! Remember they do it for you the members. All together we had 162 people attend seminars at the rally including: REP, MEP and LTP. (Rider Education Program, Membership Enhancement Program and Leadership Training Program.) Now put them to good use and request a seminar! I hope to have a list of LTP seminars in the next newsletter.

It was great to meet the current Chapter Couples of the Year at closing ceremony. The microphone was passed down the line and each couple and individual of the year introduced themselves. If you were there to support YOUR chapter couple THANK YOU. It is always a proud moment at the closing ceremony. Just before closing ceremony we took pictures of each chapter couple and individual of the year. You can see them on the next page.

Next up - The "OLD TIME COUNTRY FAIR" aka Region D Rally - Convention in Kendallville, IN. "Don't miss it! Don't even be late" Make sure you are there to cheer on our 2014 Michigan Couple of the Year Gary & Carol Williams! The Michigan District team can't do this alone we need the Michigan Members there to help!

Look to the left of this page for a complete list of seminars on the schedule for the Region D Rally.

Region D Rally - Seminar Schedule

Thursday, September 11, 2014

- 1:00 - 2:00pm LTP: Managing Change
- 2:00 - 3:00 pm LTP: High Impact Leadership Skills

Friday, September 12, 2014

- 10:00 - 11:00 am LTP: Conflict Management
- 11:00 - 12:00 REP: Co- Rider
- 1:00 - 2:00 pm MEC: Member Benefits
- 2:00 - 3:00 pm REP: Motorist Awareness

Saturday, September 13, 2014

- 10:00 - 11:00 am REP: Level Up
- 12:00 - 1:15: Concealed Carry
- 1:15 - 2:15 pm: LTP: Write Stuff
- 1:15 - 2:15 pm: REP Motorist Awareness
- 3:00 - 4:00pm: MEC: Newsletters

Have A Great (and SAFE) Ride!

Couple of the Year 2014

Couple of the Year

Since our last article, life has been a whirlwind of fun and travel.

Gary and I attended, once again, the Couple of the Year Day Camp that the Indiana MEC's host. It was a good reminder for us, plus we were able to share with other couples about our adventures as we represent all of you as your Michigan couple. Our own Chapter couple was not able to attend due to a serious family emergency, but Eddie and Charlene from S2 were there. It was a fun, in-

formative day that was topped off by the awesome pot luck dinner we had. You'll need to ask Eddie about his chicken dish. What a hit!

We also had a lot of fun as the 'other' Gary and Carol were there representing Indiana. We met them there at the camp last year when we were all Chapter couples.

You know, sometimes Couples of the Year are tempted to say 'just' the chapter couple, when that distinction is really the first and most important and most treasured of all titles!

It was impressed on us, and we in turn would like to impress on you, that the Chapter Couple of the Year is such an HONOR. As the saying goes, your chapter KNOWS you and still CHOSE you! They recognize who you are as persons and what you have done for the chapter. So please don't dismiss yourselves as 'just' the chapter couple. You Rock!

Our next big adventure was the same destination as many of you, Wind Ding in Madison, WI. We arrived just in time on Tuesday for the International Couple of the Year Selection. (Literally, we registered and arrived just minutes before the selection process began.) This was the first time viewing the international selection process for us, and we were very much rooting for Rudy and Linda Copeland from Region D. Although they would have had our vote, had we been allowed to vote, the selection went to another couple. Congratulations to your new International Couple of the Year, John and Barb Pons from Region F!

Aside from working at the pre-registration table of Friday, we spent a lot of time in seminars. Well, that is, one four-day long seminar for Gary, and I went to several by myself during the week. This Wing Ding was only our second, but definitely the better one as I swallowed my pride and borrowed a walker. It ended up being such a blessing as I was able to walk more, and more quickly, and then sit as needed. That entire venue was so large, I fear I never would have budged from the registration area had I not had it. In fact, I realized how much I've been missing out on by not being able to walk any distance, and I now am the 'happy' owner of my own walker. It's even a shade of my favorite color, purple.

Gary also spent quite a bit of his life standing in the J & M line. You see, in our hurry to get registered and to the ICOY selection on time, Gary accidentally ripped the head set out of his helmet. He had set his helmet on the seat to help me, and then just grabbed it to put in the trailer. However, his cord decided to get itself caught, and didn't want to move when Gary picked up the helmet. What a mess. So after the ICOY was over, he stood, and stood, and stood in line. When it was finally his turn, the gentleman looked at his helmet and said, 'Sorry, due to a lawsuit, I can't work on a Fulmer helmet Gary

started to turn away, wondering what now, when the man said 'But I can give you the parts and you can do it yourself.' And he did GIVE him the parts, including the tool needed! Then J & M did it again for us when I took my helmet in because my microphone only works once in a while. Fully expecting to pay for it as they had to replace a bad cord, the man's answer was "No charge, thanks for being a customer." We were very thankful for J & M customer service.

Gary also celebrated his 61st birthday while at Wing Ding. We had a great time celebrating with friends at a local Madison steak place. You chose your own steak from a cooler, cooked it yourself over an open fire and paid for the privilege! Really, it was a great place, beautiful atmosphere and very good food. Thanks, friends!

It still amazes me on how we can walk around a place with over 8,800 people there, and hear people call our names and say hi. Hugs abound from those you may see only a few times or even only once a year. Being your MI District Couple of the Year, being a part of the GWRRA family is so much fun and so rewarding. Thank you again for this honor.

Since we've been home from Wing Ding, we did have the opportunity to travel to J2 for the installation of their new CD's and ACD's. Seems their 'losing' their current CD's to another State Staff position?! Congratulations to all!

By the time you read this, our Red Green MI Rally/Convention will be over. Perhaps you're still laughing at some of the things you saw there, or smiling about a particular memory of an event. You could still be patting your stomach from all that good food from the Friday night dinner, or from a particular food vendor you like. If you're a Chapter couple, we trust you enjoyed getting together with the others at the reunion, and learned something from the mini camp we put on.

We truly hope you shared your thanks and appreciation to all those on state staff that are stepping aside. (If not, it's never too late to say thanks!) We trust you welcomed those coming on board the staff. If you enjoyed something particular about the weekend, share those thoughts. If you didn't like something, carefully and respectfully share that opinion as well with the staff. Don't grumble and complain to anyone and everyone who will listen. Be kind and constructive with your criticisms; be loud with your compliments. We're all a part of this, so share your ideas. (And be aware, what you share could become your responsibility...ask Gary! HaHa!)

We hope you all keep riding, keep riding safe, and enjoy your rides! And thanks to all who are their Chapter Couples of the Year!

Be blessed,
Gary and Carol Williams

At closing ceremony District COY Coordinator Patti Kintner presented a clock to Gary & Carol from the Michigan District Team for a job well done as our 2014 District Couple of the Year!

THANK YOU! GARY & CAROL

**Be Proud of our
District Couple!
Support them at
Region D Selection!**

Greetings from Chapter Y

This past month has been an interesting one for riding. On July 26th the Ride continued on to h we went on our annual Progressive dinner ride starting at Ted and Rose's in Prudenville for salads. The day was cool but nice for riding as we started out. Rose had several delicious salads to choose from. We then got back on our bikes and moved on to the next stop, which was

Duane's and Laurel Lee's in Alger for the main course of pulled pork and hot dogs and beans. While there the skies began to cloud up and a little heavy dew started to show up. We left Duane's and headed up towards Roscommon to Ruth Porter's for dessert. About half way to Ruth's it was time to put on the rain suits, We had just got them on when the sky began to open up and the rain and wind showed up. The wind was blowing hard and on our way we ran across a tree that had fallen across the road. Here we were, 8 bikes and 3 cars trying to make a path to go around the fallen tree. We arrived at Ruth's to find out it was her 85th birthday. We all sang Happy Birthday to her and enjoyed ice cream and cake.

August is another busy month. On August 1st.—2nd we attended the Michigan State Rally where Ted Sergent won recognition for being the oldest rider at the rally, age 79 and Lou Pifer, the oldest co-rider age 80. Congratulations to both. We also had winners for Class 27, 3rd place won by Laurel Lee, also Class 2, 3rd place in the light show also was won by Laurel Lee. Doug McAfee brought up the rear winning 2nd place in the bike show, 3 wheel trike/custom, Class 8. not to mention he also won a bucket of cleaning supplies for having the dirtiest bike.

Chapter Y is being kept busy even after the rally by attending Chapter Q's campout in Sault Ste. Marie on August 8th and 9th., followed by helping with the Midnight ride on August 15th -16th. We have been helping Chapter G with the midnight ride now for quite a few years. "In spite of the rain, and cold we try to tend to the rider's needs and provide hot coffee and cocoa along with brownies and cookies to help give the rider's a stop over break.

On August 22 and 23rd, Phyllis is planning a campout at the Michigamme Campgrounds in the Upper Peninsula. Her campout will be followed by the Eastern Section Campout on August 29th and 30th. Camping and dinner rides the month of August is filled with riding and fun.

Don't forget the August Gathering will be held a week later on August 17th due to attending Chapter Q's Camp-out being held our regular scheduled gathering date.

Ruth's Birthday Cake

Theresa and Kinny Greer, along with the rest of Chapter Y sing happy Birthday to Ruth Porter as she celebrates her 85th Birthday. Ruth is also a former member of Chapter P.

Ted and Rose, Bob and Ginny getting ready to head back home after the rain.

Well until next month, safe riding and enjoy life.
Duane & Laurel Lee Prince
Chapter Y Directors

MI District Rally - Convention

Team Challenge and Bike Games!

FUN

STUFF!

Is your Chapter looking for a great ride the weekend of August 15th? Then join GWRRA-MI-G for the 2014 Midnight Ride to the Mackinac Bridge. Lots of fun and a significant fund raiser for JDRF, (The Juvenile Diabetes Research Foundation). Check our Website for more information at GWRRA-MI-G.ORG

The Michigan Rally is over, but our Chapter took first place in the Chapters Brag Book challenge! Thanks Jane for all the hard work you put into this project. Who says hard work never pays off! What will next year's be? We'll have to wait and see what she has in store for us.

Riding to Chapter S-2's Anniversary Party on Saturday, I hear the Ribs are worth the ride and looking forward to meeting with them again. They have been so supportive of our Chapter in the past, and that's what GWRRA is all about. Meeting others, making friends and of course riding our beloved Goldwings.

My wife (Brag Book Lady) and I have only been members for a little over two years now and I can say this; Joining MI-G has been the best thing we've done together. We enjoy riding our Trike with our Chapter, making new friends, finding new Ice Cream locations and keeping true to the founding ideals of Friends for Fun, Safety & Knowledge.

Respectfully Submitted

MI District Rally - Convention

"Random Drive By Shootings"

Don't miss the 30th Annual Toy Run!

September 14th - Sign in starts at 10:30 - Last Bike out at 12:30

(STOP BY ON YOUR WAY HOME FROM THE REGION D RALLY)

GREETINGS FROM CHAPTER W

Ah, the Toy Run is coming up on September 14, 2014! Hard to believe it has been an annual tradition for 30 years. During those years there were highs and lows – usually weather related. Rain or shine is a true statement, none were cancelled due to weather.

It all started when then Chapter was young and inexperienced. Those first Toy Runs were attended well but simple compared to the recent events. The one thing different than some poker runs was we openly welcomed any bike, not just Wings. Many local clubs and groups have attended year after year without prejudice.

Dexter's was smaller those early days but sold a lot of Goldwings to our members. They have been our host facility and we always appreciate their effort in making the Toy Run a success. Some years we had over 300 participants in his parking lot. Each year he continued to welcome each one by opening his showroom, sale floor, scheduled his staff and let us use his electricity without charge.

The refreshments were purchased from a local vending company in those early years. Nothing to compare to the delicious hot dogs and sloppy joes we are now famous for. The Kinsey's were the inspiration for the sloppy joes which have become a tradition. Since then, the food has been a large contribution to the financial success of the Toy Run.

Toys have always been the focus with a \$5.00 toy as registration fee from the inception until recent years. 30 years ago you could get a nice doll or great football for \$5.00. With the cost of Toys going up, the past couple of years the fee has risen to a \$10 toy but still a bargain compared to many other Poker Runs.

Money raised during those early years was donated to the handicapped riding program that paired handicapped children and horses to provide much needed therapy. The handicapped riders would be given a saddle or two each year with that money. What a great day for the program. Changes over the years make the handicapped/horse program fund raiser no longer necessary but the Chapter continues to use the money for good causes.

The event that can see up to 300 participants has various tasks – from food to traffic control. This requires someone to orchestrate the event. The event coordinator does not fall on the same person each year, as new volunteer accepts the challenge. However, the job is made easier as each Chapter member falls into place volunteering for their favorite task from registration to checkpoints to clean up. The definition of TEAM certainly is shown during this annual event.

As the GWRRA Chapters age and change, who knows how many more Toy Runs we will see. But one thing that is certain, the 30th annual Toy Run will be the event to attend! We hope to see you at Dexter's Honda at 3804 S. Main in Adrian at 10:30 a.m. on September 14, 2014.

F2 RETIREE'S RIDE TO HARSENS ISLAND – July 16, 2014
Members Rode Their Bikes onto a Pontoon Boat and Crossed the St. Clair River to the Island

Wing Ding 2014
Ride and Article by Dave Hornak

Wing Ding this year was in Madison, Wisconsin. It was fun ride to get there. Some went round Chicago, I and others took a short two and a half hour boat ride on the Catamaran which crossed Lake Michigan over to Wisconsin.

Opening ceremony was fun, and this was just the beginning. J & M gave away over \$1,000.00 in merchandise (I didn't win anything). After opening ceremony we spent the rest of the day going through the vendors. Not only was there chrome and lights, but food demo's, clothing, trailers, pots and pans for sale and lots more. You could even buy a flag pole (with flags).

Day two was ride to the House on the Rock. This was very interesting and fun to see. It was a museum with everything in it, including a carousel. It is well worth while going to see, but you need to spend the whole day there.

Friday, day three, we went for a ride around the countryside, what a beautiful country Wisconsin is. The ice cream and food were fabulous. After our ride we had to go to work; F-2 had to do registration Friday afternoon. That was a lot of fun. Everyone from F-2 that was at Wing Ding showed up to work. We got to sit around and talk to and meet new people and welcome them to the show.

Day four on Saturday was closing ceremony, which also was fun. They gave away money, trailers and a brand new motorcycle (didn't win there either). Sunday we headed home. Once again some went through Chicago, and I went with a group through the UP. We all made it home safe and we all had a really good time.

F2 Member Dave Hornak

F2 RIDE TO McCOURTIE PARK – JULY 13, 2014

We had a great group that went down to Somerset Michigan to visit McCourtie Park after it was rained out earlier this year. What a beautiful ride down through the Irish Hills to a small park with all kinds of unique bridges made out of concrete.
