DISTRICT DIRECTORS

Bob and Kim Scott
MI District Directors

Hello Michiganders,

Just a few notes to give you something to ponder for the coming year. We have the Fall Officers Meeting set for Bay Valley Resort in Bay City again, should be really good. Seems a lot of folks had a good time there, food was great, size of the facility worked out well and we will be able to accomplish a lot.

Wingless Weekend is all set and will be at Bay Valley Resort, Spring Officers meeting will be the same weekend and

that should save some money for everyone wishing to attend. Michigan Rally will be in Evert at the Fairgrounds, lots of camping, good food and hotels just up the road.

Just a note to let you all know that I'm doing well from my surgery and on track for recovery, feeling good and right on schedule as I continue to get better every day. Well I'll get more info out to everyone in the next newsletter...

Smile and enjoy the day,
per Bob & Kim Scott

Region D Team ready for the
"Old Time Country Fair"

Asistant District Directors Northern Section

Hello from the Northern Section

Frank & Debbie King
Assistant District Director
Northern Section— Special Projects

If your reading this we are driving around Lake Superior with Jerry and Sandy Tice the Chapter Directors from J2 Clare, heading thru the states and into Canada for the Campout at Chapter Ontario H in Sault Sainte Marie, Ontario Canada. We left on the morning of August 31st, and will be back or arriving at the campout on September 5th. This is a test run because we are heading to Alaska in May 15 with Jerry and Sandy but we have never

ridden or camped together with them. We will be gone for 60 days and need to be compatible with riding and camping together, so this is a test so we don't make each other CRAZY. Although I think we are probably already kind of crazy.

If you haven't been to a Chapter Ontario H campout "there is still time", you don't know what your missing. It's September 5-6th is Sault Sainte Marie, Ontario Canada, all you need is a Enhanced Drivers License or Passport to have a great time. Have you been inducted into the "Loyal Order of the Hatchet" because that's their initiation and its awesome. I wish I could tell you what happens, but if someone tells "they will SMUCK us". Just kidding...

Region D Rally is September 12-13th so send in your registration for a really good time, it's never to late to get out and have some fun. The theme this year is Ole Time County Fair, so dress up in your best "Go to Dinner Clothes Country Style". The Region Rally is in Kendallville, IN just over the Michigan border. Remember that there is tons of fun for everyone if you get out and see what's happening, oh their will be the Installation of the Michigan Staff that has not been sworn in yet. Come on out and show your support.

The new District Director is at home recovering from surgery and is doing really well, I know that he is not racing motorcycles right now. Oh, he only races motorcycles on ice in the winter, if you didn't know that you might want to go watch him this winter, cause I hear he is pretty good...

Chapter Q is having their Christmas Dinner Party again this year, the flyer is toward the back of this newsletter, it has all the Directions, Dinner, Hotel and Gift Exchange information. Room rates look really good, live music and dancing is available, no driving upon arrival, buses will shuttle everyone from hotel to dinner and back. They will make sure the fire place is lit and decorated with the Christmas season, the view out the glass windows will be priceless...

Surely everyone can't come, but if you're thinking you might like to see what all the fun is about, talk to someone that has attended the festivities to see if this might be for you. Ask a member if it was worth the drive up to the frozen north, then you'll see how much fun we really have up here.

Ride Well, Be Safe, Till next time,
Frank & Debbie

ADD Northern Section

DISTRICT TRAINERS

Hello Michigan! As I'm writing this (Labor Day Weekend) we are anticipating a great time and get away at the Region D Rally. Patti's job at the bank has come to an end due to a merger that happened, her accounts payable job was eliminated. So during the break before her hopefully next job - we plan to arrive in Kendallville a day or two early and relax a bit. Below is the seminar schedule for the Region D Rally. Don't miss it! The Old Time Country Fair is sure to be a great time.

Ken & Patti Kintner
MI District Trainers
Webmaster, COY Coordinators

If you are a current Chapter Couple of the Year you won't want to miss the Region D selection. It will give you a taste of what it would be like to participate at the region level. We are counting on all of you Michigan members to be present to support and cheer on our District Couple, Gary & Carol Williams! The region couple selection is on the schedule for Friday 3-4pm right before opening ceremony! Again, Don't Miss It! Some of the other things you won't want to miss include: A dinner ride at 4:15 on Thursday. The Honda dealer will have Demo Rides. The Vendor Trade Show. The Directors Challenge. A Corn Shucking contest, Seminars. The Haystack Obstacle Course. Chapter Sales. The Old Time Country Supper. The Bike & Light Show. A Clogging Demo, more Seminars, Fair Games and MORE! See the schedule in this newsletter for more information.

As our new District Director is recuperating from heart surgery we wish him a speedy recovery! Bob & Kim Scott are working towards getting all the new staff positions filled and Patti & I are completing our 4th year as Chapter Directors of Chapter W. At the last gathering we announced that we would be stepping

3:00 - 4:00pm: **MEC:** Newsletters

down at the end of the year so we don't have to keep switching hats, shirts & vests - and 4 years is long enough. We had a great time as chapter directors and I'm sure whoever takes our place will have as much fun as we did. That being said—since we are still CDs at MI-W. We need to personally invite you Adrian, MI on Sunday September 14th - when you are on your way back from Region D. This our 30th Annual "Toy Run" and may be the longest running GWRRA Chapter Motorcycle Event in Michigan. (correct me if I'm wrong) Chapter W members have been doing a great job at this way before Patti and I came on the scene. So if it fits into your schedule please stop by! Look for the flyer in this newsletter.

Until next time, Keep the Shiny Side UP!

Michigan District
Couple of the Year 2014

Couple of the Year

We have spent another busy, fun filled month as your District COY's. Since the last article, we had the fun of helping the State Staff finish up all the details for the Red Green Rally/Convention. There is a lot of behind the scenes work done by many people to create a great time for everyone. Then there is everyone who participates from all the chapters to make it a great event! We loved being a part of it this year. I know that I've never used so much duct tape in my life, nor taken out so many staples, but it was well worth it. (If you ever have the

need to duct tape your vehicle or for a duct taped bag to carry, I'm your gal!)

We had the privilege of hosting the Couple of the Year Reunion at the Rally. Many couples from previous years and current couples came to say hi. Our 'twins' from Indiana, the "other" Gary and Carol, were there as well. Such fun Ken has pictures posted on the GWRRA MI Facebook page for this and for the mini camp we held. There were a few couples at the camp, and I hope the information we shared was helpful. We were fortunate that Ken, our District COY Coordinator, Rudy and Linda, our current Region D COY, Bill and Linda, last year's MI COY, and Esther Keeling, also an earlier MI COY, were there to give their own personal advice to those in attendance. We had couples from Michigan and Ohio attend.

Thanks to everyone who came! If you are your chapter's Couple of the Year and were not able to attend, please don't hesitate to ask any questions about the next step. Feel free to ask us, or others who have been the District COY, or better yet, ask Ken and Patti Kintner. They are our MI District COY Coordinators and will be able to answer most any question you have. They will be sending each couple packets later this year in preparation for Wingless Weekend, which will be the weekend of March 14, 2015, held once again at the Bay Valley Resort in Bay City.

Another fun thing we got to do at Red Green was drive around in our decorated golf cart just having fun greeting people. It sure was a blessing not to have to walk all over, but I had my new trusty walker with me just in case! Being able to ride around gave us the opportunity to meet and greet so many more of the GWRRA family. (I believe I'll miss that golf cart privilege next year!) We also had the fun of judging the campsites, both day and night-time. We chose 'our twins' to be the second set of judges and we had a blast.

During the closing ceremony, we were honored to receive a beautiful, engraved clock from the state commemorating our year. Along with everyone else, we said Thanks to Kim and Sandy Barger for their great leadership, and Welcome to Bob and Kim Scott as they begin their journey as our new District Directors. Many other awesome staff said goodbye from their positions, but not from the GWRRA family. Other New State Staff will be sworn in at Region D. We, along with most everyone there, had a great time and lots of fun at Red Green. We CHOSE to participate and have fun! We hope you did, too.

Upon returning home, we have visited a few other chapters. We visited Chapters L, A and N. L is only about 40 minutes from us. A and N were both close to 3 hours one way, but well worth the fun. We took the trike to A, but the truck to N. It was weird to realize that we drove the trike through those exact spots that flooded in the Detroit area the next day!

Sure glad that storm held off a day from A's gathering! We also visited the Wheels of Destiny CMA for their gathering. Great group of people--and their president rides a Wing!

Region D in Kendallville will soon be upon us. We have been attending for years, but of course, this one will be a little different for us. Whatever happens on Friday with the Region COY selection is fine with us. Indiana and Ohio both have very deserving couples. Are we a little nervous? Sure. We just want to represent Michigan in the best possible way. We have felt so honored to be your MI COY.

Between all of this and the great fun we've had with our own Chapter J family, it has been a great month! Keep riding, keep riding safe, and enjoy your rides!

Be blessed,
Gary and Carol Williams

Don't miss the 30th Annual Toy Run!

September 14th - Sign in starts at 10:30 - Last Bike out at 12:30

(STOP BY ON YOUR WAY HOME FROM THE REGION D RALLY)

GREETINGS FROM CHAPTER W

Ah, the Toy Run is coming up on September 14, 2014! Hard to believe it has been an annual tradition for 30 years. During those years there were highs and lows – usually weather related. Rain or shine is a true statement, none were cancelled due to weather.

It all started when then Chapter was young and inexperienced. Those first Toy Runs were attended well but simple compared to the recent events. The one thing different than some poker runs was we openly welcomed any bike, not just Wings. Many local clubs and groups have attended year after year without prejudice.

Dexter's was smaller those early days but sold a lot of Goldwings to our members. They have been our host facility and we always appreciate their effort in making the Toy Run a success. Some years we had over 300 participants in his parking lot. Each year he continued to welcome each one by opening his showroom, sale floor, scheduled his staff and let us use his electricity without charge.

The refreshments were purchased from a local vending company in those early years. Nothing to compare to the delicious hot dogs and sloppy joes we are now famous for. The Kinsey's were the inspiration for the sloppy joes which have become a tradition. Since then, the food has been a large contribution to the financial success of the Toy Run.

Toys have always been the focus with a \$5.00 toy as registration fee from the inception until recent years. 30 years ago you could get a nice doll or great football for \$5.00. With the cost of Toys going up, the past couple of years the fee has risen to a \$10 toy but still a bargain compared to many other Poker Runs.

Money raised during those early years was donated to the handicapped riding program that paired handicapped children and horses to provide much needed therapy. The handicapped riders would be given a saddle or two each year with that money. What a great day for the program. Changes over the years make the handicapped/horse program fund raiser no longer necessary but the Chapter continues to use the money for good causes.

The event that can see up to 300 participants has various tasks – from food to traffic control. This requires someone to orchestrate the event. The event coordinator does not fall on the same person each year, as new volunteer accepts the challenge. However, the job is made easier as each Chapter member falls into place volunteering for their favorite task from registration to checkpoints to clean up. The definition of TEAM certainly is shown during this annual event.

As the GWRRA Chapters age and change, who knows how many more Toy Runs we will see. But one thing that is certain, the 30th annual Toy Run will be the event to attend! We hope to see you at Dexter's Honda at 3804 S. Main in Adrian at 10:30 a.m. on September 14, 2014.
