## Michigan District Directors

**Bob & Kim Scott**

This nice warm weather and recent sightings of the sun have me in a good mood and I hope its having the same effect on everyone. Just last week I had a report that most of the snow is gone in the U.P. and some of it is gone in Canada. Well you can't have everything! Actually the news last night wasn't too good with news of tornadoes touching down in Portland, Millington and other cities near by, I hope all of our G. W. friends and family are safe and sound.

Any Nascar race fans out there? What do you mean what's "nascar"? Why it's auto racing. Your district team has been working feverously day and night to build a winning entry, "right out of the box" for the directors challenge race to be held at the Region D Rally in Portland, Indiana this July 23rd to July 25th. We have pulled "no stops" to win this race and prove that Michigan is on top of Indiana and Ohio. If you doubt me, just look at the map. And "no stops"? Yes it's true, it has no brakes! If you think we are having fun with this, wait until you see us in Portland! While your at it, why not help us out with a \$10.00 sponsorship for the car? The money we raise will be split 50/50 between Region D and the District that wins the race. Please get a hold of your Assistant District Director or Chapter Director to forward donations and help us show Ohio and Indiana why we are on top.

Other Region news is that a new region director will be stepping up at the Rally. Most of the new team should be in place by that time also and it will be

a great opportunity for you to meet them. Here is a trivia question for you, what is the Region D motto? If you don't know (most won't without research) find out and let me know at Portland.

Speaking of Rallies, are you planning to attend Wing Ding in Huntsville, Alabama this year? September 3rd thru the 5th, Labor Day weekend should be a great time to visit the area and see the space center. We need to take advantage of these wing dings that are on the east side of our nation as it is a little harder to go when they move it out West. Kim and I have reservations and are registered. We would like to know how many from Michigan are going so see if your CD will let our Assistant District Directors know and we can put together a guestament.

We have saved the best Rally in the region for August 20th to August 22 right here in Evart, Michigan. For you early birds, Thursday afternoon and evening you won't want to miss an idea we have barrowed from Indiana and Ohio, a mystery dinner ride.

The restaurant will have a menu to choose from but specialize in an all you can eat fish fry (cod) with col slaw and French fries for only \$5.95 served family style. We will be limited to the first 85 guests. First group leaves at 4:30 PM. After dark, weather permitting, drive in movie night. Remember, you won't be in a car with the windows steamed up, so keep your clothes on! Bring your bike or your lawn chairs, the pop corn is on us. We will move inside if it's snowing or raining. Same thing, different movie Friday night. We have seminars through out both days, and the red cross blood mobile will be here for those willing to donate the gift of life. We are slowly gaining vendors including Michigan's newest Honda Dealer, Nelson's Speed Shop from Greenville, Michigan. They have promised some show specials on accessories and have more new Gold Wings in stock than any other dealer in Michigan. They are working on providing some demo rides as well but it is pending Honda Corp. approval. The principal owner, Ed Richter, also owns Lakeside Motor sports in Mecosta and is well known to many of us in North West Michigan and brings many years of industry experience to us. Danielle, (Ed's daughter and manager of the Greenville store) and her staff are excited to come to our Rally and we are excited to have them.

Things are a changing, come help us change them!

### **Instructional Design Evaluation and Advisory (IDEA) Team members**

Have you designed education or training programs for adults before? Were they outcome-based, activity-driven training experiences--meaning they were designed to produce an increase in the skill level of the participant rather than just to disseminate information? Did you design the program with a consideration as to how you were going to measure the effectiveness of that program?

Have you ever developed online training programs? Do you have experience with e-learning or Learning Management Systems?

If you have any of the above experience or skills and are interested in being a part of a team to re-design and/or update GWRRA's existing training programs/seminars, and/or write new programs for our leaders and members, please send an email to Dottie Bahrenburg, Assistant Director of Training for Programs, at [gwrri.training.dottie@outlook.com](mailto:gwrri.training.dottie@outlook.com). In the email, please answer the following questions:

## *From Way down South.*

Well I guess nobody took my suggestion about Mother Nature from my last article. I've heard that we have already received 66% more rain than normal. I know for a fact that Ohio received its fair share every evening at their rally. Nancy & I were there and one night we had to "batten down the hatches" and literally weigh down the Time Out camper, to keep it from blowing away. With Nancy's stop on the way down and some good luck on the return home, we never had to pull out the rain gear while riding. That sure made it a lot better. We had a great time at the rally, visiting with friends and just plain relaxing.

Did you make it to Chapter J's Burn Camp Challenge? If you did you were able to enjoy a great ride out there, great weather, great food and Louie! (the rest of the chapter too!) The bike games were fun and frustrating at the same time. But that's why they put this on. It was a great time for a great cause. Thank you Chapter J for hosting the event to help the kids.

Still looking for some baseball players at our upcoming Michigan Rally, we've only had one person respond that they are interested. Either nobody reads my article or they don't want to have some fun. Send me an email if you're interested in being on the team. Remember, 1900's rules, can't get any simpler. See you in Portland at the Region D rally!

## **NEW REGION D DIRECTORS APPOINTED**

Ray and Sandi Garris and Jack Wagner are happy to announce the appointment of Lloyd and Becky Glydewell as Region D Directors replacing Lee and Kay Tieche. This change will officially take place at the Region D Rally.

Lloyd and Becky are Life Members of GWRRA, having joined in 1992. They have served in numerous positions at the Chapter, District and Region level including Chapter Educator, Assistant Chapter Director, Chapter Director (twice), Chapter MEC, Ohio Assistant and District Director. They are currently the Region D vendor coordinators. They are both University Trainers and Level IV Master Tour Riders. On a personal note Lloyd and Becky have been married 25 years, have 5 children and 15 grandchildren. Please join us in congratulating Lloyd and Becky. Their contact info is: [lglydewell@att.net](mailto:lglydewell@att.net) and phone numbers are: (937)-322-7156 Home and (937) 360-3191 Cell.

We would also like to take this opportunity to thank Lee and Kay Tieche for all their service to the members of GWRRA as Region D Directors. We wish them the very best and will look forward to seeing them "down the road."

Thank you,  
Ray and Sandi Garris

Well it seems that just because we are having the time of our lives, days have been camping and visiting Chapters all over Michigan, Going to gatherings, it will be to the South Western part.

Chapter J2's campout was awesome over the weekend and non members thought so, a bunch of motorcycle models to bring the gifts around, now how's that for Smock's granddaughter Breanna (Florida) on left and granddaughter Regan Casey 212819-03 Chapter Q's youngest member. Ann & Andy dolls were Kip & Janet Reed from Chapter Ontario H.

Now before I wonder about the Slingshot Motorcycle

We are testing out a

off on the camping we are that showed up at Chapter next stop now that Chapter Campout, Q2 BBQ, over to Standish for a new 5th Wheel as we run

chapter gatherings is adding to all the fun. While we are getting used to the camper, something that we have never taken the time to do is sight see around this great state. I would never have thought their was this much stuff hiding around here, I didn't have a clue and we are taking every opportunity to visit as many places as possible (Regan is with us).

More pic located on the next page and other info on upcoming campouts, rides and just good things. Well I should keep this to one page and let everyone go ride their bikes. Enjoy

Hope you are all having a great riding season. I know it seems like every time I want to get on the bike for daily travels it is raining or the forecast is for rain. So I'm ready for that sunny day to take a ride!

Please check your chapter websites for accuracy. If there are things that need to be updated or corrected let your CD or chapter webmaster know so they can get corrected. CDs, if your chapter doesn't have a webmaster I can make the changes on the site for you – just let me know. Also check the links to your chapter newsletter to make sure they are working. And remember if you try to view a new newsletter and still see the last month - you might have to delete your temporary internet files and clear out your browser's temp files before you see the current month. Since the chapter newsletters use the same file name forever your computer may still have the old one in memory until you clear it out.

Make sure your chapter Couples of the Year are planning to be at Closing Ceremony of the Michigan Rally. This is always an exciting time when we all get to see them walk in with their Chapter Directors, line up, and pass the microphone to introduce the couples.

The Region D Rally is coming up and you won't want to miss the free seminars! They have a full schedule of Fun Safety and Knowledge all lined up so don't miss it. If you haven't sent in your registration for the Region D Rally please do it today! The deadline to mail it in is July 6<sup>th</sup>! Please be there at the Couple of the Year Selection to support our MICHIGAN COUPLE, Bob & Marcia Kinsey! We wish them the best of luck and know they have a great history with our GWRRA family and could advance all the way thru the Couple of the Year Program. Please be there to support them!

Have a safe trip to where ever the road takes you!

## Cheryl & Randy Wiggins Michigan District MEC

Chapter N out of Muskegon MI decided for their 30<sup>th</sup> Anniversary to ride the Natchez Trace. Randy and I were able to accompany them and we just got back. It was a lot of fun, miles, and camaraderie all packed into 7 days. There were 8 people on 5 bikes: 2 two wheelers, two trikes and one bike with a sidecar. We traveled approximately 2300 miles round trip.

The morning we left it was 64 degrees with spotty rain. When we arrived at the beginning of the Trace the temperature had increased over 30 degrees to a mild 97, so needless to say it was a little warm. We visited many sites along the Trace including the Meriwether Lewis Memorial, a Tobacco barn, Cypress Swamp and a man made stone wall that measured 4 feet wide by four feet tall and ran two and a half miles. It was all built by hand without the use of cement or mortar by a gentleman in honor of his Great Grandmother who survived the Trail of Tears. We visited with this man for about half an hour and he had a very nice story to tell about his great grandmother and his 35 year work on the wall. He was very interesting and his work was more than impressive. Any one making this trip in the future this is definitely worth the stop. The wall is not featured in any of the Trace maps, it is off mile marker 338 on the east side less than half a mile.

We stayed the night in Tupelo MS and met with Chapter N from Mississippi, they are known as TNT (The N Team). We rode with TNT to one of the restaurants they go to on their dinner rides. So we had 2 Chapter N's on a dinner ride. They were a very fun group and it was a Fun night having dinner with them and riding with them. One of their members was gracious enough at the end of the evening to ride us back to our hotel so that we did not get lost.

From Tupelo we continued on the Trace to Natchez MS for a total ride on the Trace of 444 miles. We ended up changing some of our plans and heading directly home from there so that we could stay ahead of the remains of Tropical Storm Bill which had moved into Texas about the time we got to Natchez. After three days of riding we missed most of the rains with just getting a little wet on our last day of travel through Indiana.

One thing I noticed on this trip was the difference in road kill. I know a strange thing to talk about but there is a big difference. Up here we see turtles, squirrels, raccoons, and a lot of deer. Down in Mississippi and Louisiana we saw a lot of armadillos, some snakes, deer and two alligators, one was about 4 feet long.

Our trip, while fun, was not without mishap. We experienced one lost trailer, one overfilled fuel tank, one dumped bike parked on too much of a slope, one broken trunk latch and one of our riders ran over a squirrel leaving more road kill. You all know who you are.

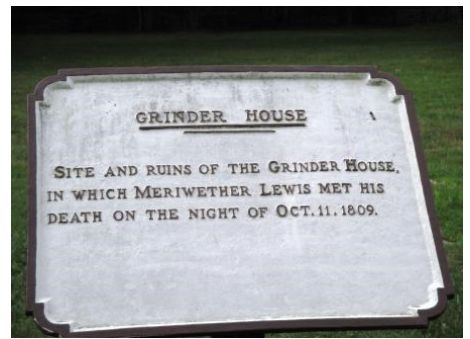

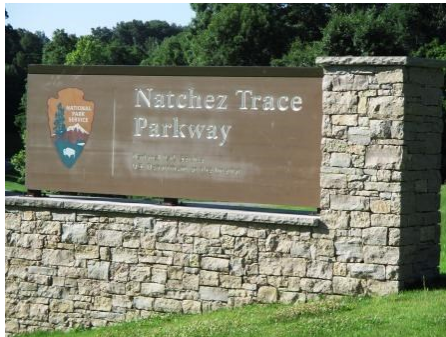

We did meet up with some bad traffic as we sat on I 40 traveling from Memphis to West Memphis in a traffic jam for about 30 minutes, but the worst traffic we had was when we returned to Michigan and traveled US 31 from Holland to Muskegon. It was stop and go, bumper to bumper and a lot of backups due to construction and accidents.

If your chapter is planning a big ride even to Wing Ding this year have you thought about meeting up with a Chapter from another state, maybe one with the same Chapter designation as yours? It was a lot of fun and the patrons of the restaurants were very interested in the two groups meeting and asked lots of questions about GWRRA. The 2 N's sat around talking all through the evening like long lost friends even though we had just met.
