Michigan District Directors

Bob & Kim Scott

Hello Michigan,

How is your summer going? Let me see now, my wife Kim and I have been to the Ohio Rally, Indiana Rally, Michigan Rally, and in three days we will be headed out for Wing Ding in Huntsville, Alabama. This will be our first time in Alabama and we are really looking forward to it. Were going to take the car because of a little prostate issue I've had to deal with, and it is killing me to leave the trike at home!

Did you hear that if you help your district with their duties at Wing Ding, you will be entered in a drawing for a free registration for the upcoming Region D Rally, 2016 in Coldwater, Mi.? If we had a rally any further South, it would have to be in Angola! Lloyd hasn't told me what's up his sleeve yet but I'll bet it's a doosey! My spell check says that isn't a word, but I'm sure I'm older than it is and I'm going to use it anyway!

Just a quick word about our recent Michigan Rally in Ewart, Michigan. I have been recovering from surgery and with a ten pound weight restriction, I felt like I had the Weekend off! The Michigan team pulled together, the Osceola County Fair crew, Rick and Cheryl, were outstanding hosts, and the most important ingredient, 370 happy participants, made this a rally to remember. My heart felt thanks to everyone.

We have a lot of nice fall weather headed our way, get out and make the best of them!

Thanks again,
Bob & Kim Scott

Bike Classifications

From Way down South...

Well... the Michigan Rally is now in the history books. I think that the skepticism is now put to rest. Ewart is a great little town that has a wonderful campground. I heard many positive things about the campground and its facilities. Oh yeah, I heard the hotel was nice also. For those campers that showed up early, Mother Nature wasn't so kind. But the weather on Friday & Saturday was great. I had the pleasure of leading the second group on the Thursday night dinner run. The route to the restaurant was a great ride for the bikes and autos and the food and service was top notch. I figure we had 78 people on the run. I was disappointed about one thing; again I didn't have my ticket pulled for the grand prize at the raffle drawing. But then again, I don't think I was alone.

I hope that everyone has seen the notice that Chapter W's Annual Toy Run has changed locations. It seems that Dexter's Honda has closed its doors permanently. The Toy Run is still on at a new location in town, the Farmers Market Pavilion in downtown Adrian. Check the Michigan GWRRA website for all the details.

A curve is not the end of the road, unless you fail to turn!

Summer is slowly rolling bye, Ride while you can...

We are entering into the Fall months (September/October/November), with/is weather going to start being a factor, daylight sunshine becoming less and less, we should be enjoying the beautiful rides and scenery that is still ahead of us before we end the year.

Chapter Q Campout was a great success in Sault Ste Marie, second weekend and with a 100 plus members attending. Some Camped and some were at the hotel, something we didn't expect was so many members coming up so early, 25 members showed up on Wednesday and 25 more on Thursday, 50 more arrived on Friday and the rest on Saturday. Coordinating all the rides and food was a bit crazy but the Bonfires worked out great, see you all next year and those that hear about it and jump in for August 12-13, 2016...

Michigan Rally has closed and what a great time had by all, there is always a few hiccups, but by far the Fairgrounds were received with smiles and open arms. So many great comments about the Sites, Bathrooms, Stadium Seating, Baseball Game, The Chuck Wagon and Lions Club (only food vendors), Awesome Hotel and the 17 Vendors. The Concert was fantastic with Rare Earth and The Crystals playing. Yes the drawings went off without a hitch, 1st Place Frank Tibbs, 2nd Place Kevin Laplaunt and 3rd Place Darlene Taylor and Frank Tibbs didn't get to excited but with the help of F2 and the police he was willing to take the check... Thank You to all those that helped on the Raffle and 50/50 Table. Awesome

The Hamburger stand and the Pizza places did a great job (Delivery as well), Thursday night mystery ride was a big success, stopping at Sunrise Bar for "All you can eat Whitefish" (other food available) and must have been close to 80 riders. Yes we were there, beside who else would sell the 50/50 tickets and we broke a couple of records for size of the prizes. Well just a note to let your know Michigan Rally next year is August 4-5-6, 2016 and it's in Ewart, MI again. Hope to see you there, fun time for all...

Upcoming events Chapter Y Anniversary/ Halloween Party and the flyer in a few pages more...

Ride well, be safe,

District Member Enhancement Coordinator

Cheryl & Randy Wiggins
Michigan District MEC

When this newsletter comes out I will be on my way to or maybe already at Wing Ding 37 in Huntsville, AL. I thought I would let you know the process I go through to take a trip to Wing Ding. First I have to go through my check list and get things ready.

- T-CLOCK done – check
- Riding gear – check
- Hotel reservations – check
- Route planned (kind of) - check
- Clothes packed – check
- Comfy shoes for walking around a lot – check
- Shopping list – check
- Plan on having FUN – check, Check, CHECK

First thing I like to do is check over the seminar schedule to see what ones I would like to go to. I then compare it to the events schedule as there are many things to go to. Drill teams, Team challenge, Light parade, Top Gun, Mascot and Crazy Hat contest, Bike show, and so much more. Then I see what all I can take in and what will have miss. It would be nice to do everything but there is only so much you can pack into 4 days. Then add to this the places to visit locally like the space center, Barber Motorcycle Museum, and finding the best roads to ride it makes for one busy but very FUN trip.

But the Fun doesn't end with the rally it continues when we come back to Michigan and start attending more chapter events as there are many things coming up in September and October. There is Chapter H, Ontario's campout Sept. 11-12, Chapter K2's Anniversary party Sept. 13, Chapter W's Toy Run on Sept. 13, and Chapter F2's Anniversary party on Sept. 26.

In October there will be Chapter V's Anniversary party on Oct. 3, Chapter K2's Color Tour on Oct. 11 and Chapter Y's Halloween party on Oct. 24. There are still plenty of things to do, so get out there and create more memories.

Hope to see you soon,

Cheryl and Randy Wiggins

RIDER EDUCATION

Dennis & Felicia Schulte
Assistant District Educator

Information, Information, Information

We are never too old to learn something new. Learning keeps you young! It is a character trait; reading to escape is great but reading to learn something new can make your life more interesting especially when you share what you've learned. Facebook can be interesting for learning what family and friends are doing, but the Internet has a wide array of trusted websites that can be used for research and knowledge. One of our favorites is <http://msf-usa.org>. Yes, those websites with the ending of .org can be trusted, so don't be afraid to check it out on your own!

The Motorcycle Safety Foundation have gathered many educational materials and has a link to them on its main webpage. There are links to such items as Rider Course materials, safety booklets, quick tips, reference materials, videos and images, and an optical illusions page called seeing is believing.

For those of you who have never taken a Rider Course, or have not renewed your certification in quite some time and fear what you may be asked to do, the Rider Course materials are excellent for refreshing your memory and finding a comfort level in the classes. The SEEing is Believing link takes you to optical illusions, and these are a MUST SEE. You really will not believe how well hidden a motorcycle can be to others on the road, in driveways, and in parking lots, unless you have personal knowledge. But these optical illusions are great for making you realize that when every four-wheeler tells you "I didn't even see you", some of them did look and are telling the truth. We need to be as visible as we possibly can to protect ourselves.

Also in the realm of safety, the Motorcycle Safety Foundation released a new video in November of 2014 to help refresh us all on T-CLOCS. It can be viewed for free on this website also, and will help us all perform pre-ride safety inspections on our bikes after many years of thinking that we've seen that bike every day and nothing has changed.

One of the Quick Tips found as a link in the MSF Library of Educational Materials is called Pretend You Are Invisible.

For all those superheroes amongst you, including those we met at our dinner night out in Vassar while at the Section Campout at Wesleyan Woods, check this tip out. Is it good to be invisible on a motorcycle? NO, NEVER!

Stay Safe and Keep Learning,
Dennis and Felicia

QUICK TIPS

PRETEND YOU ARE INVISIBLE

If you ride a motorcycle, you know that out on the road you might as well be transparent, because car drivers often look right past you. They might notice the car or truck behind you, but *you*, in all your "narrowness," may not register in the visual cortex of even the most alert drivers.

That's why an oncoming car driver might turn left in front of you at an intersection.

That's also why a driver in the next lane, even if they turn and look in your direction before changing lanes, might veer into your lane.

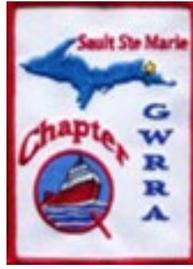

Sadly, drivers might behave this way even when they're not distracted by their cell phone, GPS, satellite radio, or other form of in-car infotainment. So how do you compensate for being "invisible" to drivers?

Be as conspicuous as possible. Wear bright clothing and a light-colored helmet. Always have your headlight on, and use your high beam or an aftermarket headlight modulator during the day (where allowed).

Take an approved rider training course. Learn how to maneuver your motorcycle in normal and emergency situations, and practice braking and swerving maneuvers often. Also understand that safe riding depends as much on the mental skills of awareness and judgment as it does on the physical skill of maneuvering the machine; respond early to possible hazards instead of having to react instantly to an emergency.

Pretend you're invisible. If you assume others on the road *can't* see you, and any car that *can* hit you *will* hit you, you will tend to ride in a hyper-aware mindset and learn to notice every detail in your surroundings. In other words, you will take extra responsibility for your safety and ride defensively. You will vary your speed and lane position to place yourself in the best spot on the road to avoid collisions, plan escape paths in case a driver violates your right-of-way, cover your brake controls to quicken your reactions, use your horn to alert a driver who doesn't notice you, and always ride within your limits.

CAR DRIVERS ONLY SEE WHAT THEY EXPECT TO SEE, AND MOST DON'T EXPECT YOU TO BE PART OF THE TRAFFIC MIX. RIDE WITH THE RIGHT SKILLS, STRATEGIES, AND ATTITUDE. BE SEEN – BE SAFE.

We are out riding and having fun, you can see when we ride sometimes it's all alone. We wish you could have ridden with us to Curtis, come with us next time and you will next weekend at our Chapter Q Campout. With more than 110 members from Canada, Kansas, Michigan arriving for fun, this 2 day extravaganza is growing into 4 days this year. 25 members arrive on Wednesday, Thursday we will be up to 50 members and Friday it'll be 100 plus with more coming for the Saturday only ride and dinner. Our ride season as most of you know is very short, that makes us take advantage of all the road riding we can and traveling long

distance is a way of life up here.

Getting on the road early in the day and taking every daylight hour we can make this some great area to see and ride. Because of this we are starting to grow again as a Chapter with 2 new members who will join today and 2 more joining in a week, that makes 8 new members this year alone and that's great...

Michigan Rally seen thru your eyes

Thanks for the photo's, without your pics their would be no great moments...
