## Michigan District Directors

**Bob & Kim Scott**

This will come to you a little late for this greeting so I'll have to say I hope you and your family have had a wonderful Christmas and a safe New Year's beginning. I'll bet a lot of us have taken advantage of the El Nino effect and gotten in some late season rides. This has been the warmest and least snowy fall and end of the year I can remember. Not that I can remember anything, just saying! And speaking of memory or the lack of it, we have a lot of information to send your way so I better get started.

We started a new promotion last year that we would like to continue this year. This is open to anyone except the Michigan District Team. Want to know how to attend the Michigan District Rally this summer for free? It's fun and easy! Attend the three Region D winter rallies (Michigan Wingless Weekend, Ohio Cabin Fever, and Indiana winter rendezvous) and you could win free admission for two to the Michigan district Rally this summer. We will draw three sets of winners so you have a really good chance to win. If you have never tried the Ohio and Indiana Rallies, I can assure you they know how to have fun! Most of us know our theme for Wingless this year is Mardi Gras and we are plotting a good time as we speak. Just to show you how good your odds are of winning, only one couple won it last year and this year they are on our District Team! Chapter Directors, talk to your chapters and get them going!

Speaking of Wingless, we will be having a Marti Gras float contest for the chapters. The only rule is a size limit of three foot by up to eight feet. Have

your chapter teams dress in costumes for judging, best male, female, and best chapter. Floats will also be judged separately. The floats may be smaller but not bigger! Get your creative juices flowing! Rider Ed is working on a seminar schedule, our vendor coordinators are corralling vendors new and old, the Bay Valley Resort is standing by to prepare us another inspired meal, remember the early bird registration drawing for a free District Rally registration for this summer in Evart, Michigan. The deadline for the early bird registration is February 1<sup>st</sup> 2016. Room reservations must be made with the Bay Valley Inn at 989-686-3500—Mention GWRRA wingless week end to get the reduced room rate. We should have flyers for all the region winter events in the back of the newsletter.

Be sure and look at the chapter events calendar on our web site when your chapter is planning rides for the upcoming summer riding season, sharing with other chapters benefits everyone.

Announcing the "winner" or not so winner of our December membership number contest for \$25.00. You remember, all you have to do is find your number in the newsletter, call Bob Scott Phone 989-429-9144 or email [bobnkim58@gmail.com](mailto:bobnkim58@gmail.com) before the 15<sup>th</sup>, and you get \$25.00! The winner could have been James Cushing #193652 from Chapter Z. If you know him, give him a call and the raspberries. It pays to read your paper!

Frank King, our Northern Section Assistant and news letter editor is stepping down at the end of 2015. All of us are going to miss his enthusiasm, and just plain "get-er done" attitude. Frank isn't going away; he just wants to spend some time traveling and enjoying his Gold Wing with his lovely bride, Miss Debbie. A million thanks from everyone in this District.

Well, until my memory comes back and I think of something else,  
Bob Scott

We learned a few years ago that the government is going to raise the Ethanol level in gasoline from the E10% level to E15% level and they are doing it.

What does this mean for us? It will eat away at all rubber components in all gasoline engines. We found that Lucas Oil has a product that will bring the E10/E15 back to normal levels and also improve mileage. It is good for E10, E15, E20, & E85. The good thing is that you only need to put 1oz. to 10 gallons of gas to equalize the ethanol level.

A few years ago while I was at the West Virginia Rally is when we found this out. We did some research and found it to be true. I did get this and have been using it in my bike for many years now. The mileage did go up and it seems better on the carbs after winter storage. Please pass this info on to all of the members in Michigan.

Durand & Lonnie Benjamin  
District Treasurers

## **Attention CDs & Chapter Treasurers!**

The 2015 Annual Financial Report is due by January 15, 2016. There are various versions of the form available. One is the version distributed by Ron Linn at the 2015 Wingless Weekend. The other version is to be found on the GWRRA website under the Officer Connection tab. Either version is acceptable, but whichever version you use should be completed, signed and dated and forwarded hardcopy to the District Treasurer.

Along with the completed form you should include your 2014 end-of-year bank statement and the chapter 2015 end-of-year bank statement AND the Chapter Property Statement (Chapter Equipment List). The treasurer will review the materials for completeness and accuracy and then will send them on to Bob Scott for final review. Regardless of what the form indicates, send the form and attachments to:

Happy New Year! This is such an exciting time of year the old year is over and now is the time to think about all of the possibilities that the New Year may hold. It is time to let go of any problems, disappointments, and grudges from the previous year, and get a new mindset as we all get the chance to start anew.

Now some of you may be grumbling that we are in the middle of winter living in the Winter Wonderland, although a little lacking on the snow at this point which I'm sure will change, and you can't do anything motorcycle related. Well that's not entirely true, while we can not all ride our bikes in the winter months, unlike those lucky people in the southern states, there are plenty of things to keep us busy.

There are the International Motorcycle shows that will take place in Cleveland January 29-31 and Chicago in February. You can buy anything and everything motorcycle related at these shows including a new or used bike. In addition they have bike shows, demonstrations, seminars, and entertainment, such as stunt riders and concerts. These are family events so there is no extreme entertainment.

There are also all the GWRRA events going on this winter. February is full of events: Ohio Cabin Fever is taking place Feb. 5-6, Indiana Winter Rendezvous is the following weekend Feb. 12-13, and then our own Michigan Wingless Weekend the Feb. 26-27. Chances are you will not be able to ride your bike to any of these events but you will have the opportunity to get together with lots of people, rekindle old friendships and create new ones, plus have a lot of fun. Wingless Weekend has always been fun in the past and promises to offer more of the same this year. 387355-01

Congratulations to Chapter G for making the Newsletter of the quarter for the fourth quarter.

Hope to see you soon,

Cheryl Wiggins

## *From Way (way) down South...*

Happy New Year everyone! We hope everyone had a good Holiday Season. This is Nancy writing our article this month. Bob is insisting that I write this month! As most of you know I had an accident on our way home from the camp out in the Soo back in August. I've had some issues with my ankle since then and ended up having surgery on it the week before Christmas. So all I can do is sit with my foot elevated for a couple of weeks. I still don't know why he thinks I should write this article! Just because he's still working every day and taking care of all the household chores, he's thinking I have more time than he does! Seriously though he's been great through this. Between him and our daughter-in-law, I've been taken care of very well.

On to the December events in our section... Chapter S2 had their first Winter Solstice dinner/dance which we attended. We had a great time and the party was very well attended by other chapters. There was no shortage of food, dancing, and fun by all the guests. They had all the staff members serve the food and Cynthia did a great job MC'ing the whole thing.

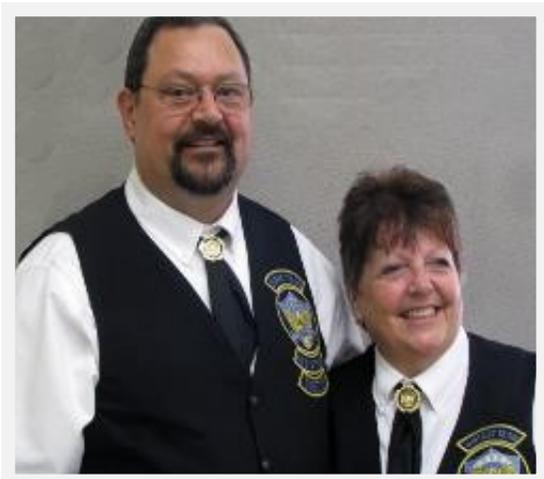

Chapter J had their Holiday Party also. Unfortunately it was the same day as S2's party so we were not able to attend, but we've been before and we're sure it was a great time.

We also had tickets to attend Chapter C's party, but ended not being able to go. We ended up going to a family birthday party. We've seen lots of pictures from their party and it looks like it was very successful party at their new venue.

Being able to support the events of other chapters is where the fun is! We have always enjoyed visiting other chapters in our area and around the state. We try to make as many as we can and when we do, we always have a great time. When you hear the saying "you meet the nicest people on a Gold Wing", it's true! We have met so many wonderful people in this organization that we would have never had the opportunity to meet had we not joined and then got involved! Get involved with your chapter and meet new people. You won't regret it!

# Chapter Y

On November 12, a \$1,000.00 donation was made to Project H.O.P.E. food pantry in Prudenville by Gold Wing Road Riders Association Chapter Y from Houghton Lake. The check was presented to La-Wanda North by Ron and Jackie Tidball, Chapter Directors and Karen Alexander, Chapter Treasurer. The money was collected by members at their annual Anniversary/Halloween party and the Chapter matched the amount that was collected. Chapter Y also raises funds for Rainbow Connection, which is a Michigan organization that grants wishes to children in our state that have life-threatening illnesses.
