It's February already, can spring be far behind? Yes it can be! But you don't have to wait until then to see your friends and GWRRA family. The month of February will have three fantastic winter events for all to enjoy plus all of our regular chapter gatherings.

I know you can find these in the calendar or look for the flyers here in the newsletter but it's worth another mention. First, Feb 3/4 the [Buckeye Rally--Cabin Fever](#). If you have never tried it, well, you just have to see it yourself! Next, Feb.17/18, Indiana holds their [Winter Rendezvous](#) and it's been rumored Mike Pence won't be there. But we will be! You definitely won't want to miss our own [Wingless Weekend](#) Feb. 24/25 and the Officers Meeting on Sunday the 26th. Our theme is Pajama Land and it should be non stop fun. We'll have chapter Skits (help get your chapter to put on a crazy skit and maybe win a prize) games, door prizes, Couple of the Year selection, lots of seminars and just plain fun. The hotel we will be staying at, the Lake Side Resort is along side of old US 27, just North of M-55 on the West side of Houghton Lake, MI. It's really nice and even has an indoor water park. The rooms are very nice and the hotel is right on the West shore of the lake. The first two hundred registered will also get a pin for the vest. Like I said, you won't want to miss it, come and join us.

If you are a chapter Officer, please plan to come to the officers meeting on Sunday. There is a lot of new programs and changes to catch-up on and we will be asking for your chapter help at our Rally next summer. The combined [District and Region Rally](#) is beginning to shape up with more Vendors, more rides, well, more of everything. More on this later!

Everybody try and keep warm and dream of warm weather, sunshine, and smooth roads.

District Educators

Michigan Rider Education has some exciting plans for Wingless Weekend. New games brought to you by our very own Rider Education Ambassador Jan Smith, new Master Tour Riders to receive their patches, and new Chapter Educators to be sworn in. The seminars that are presented by Rider Education have not yet been updated to the new University program but will be in the future. You will not have to re-take any, so still feel free to join our great Seminar Presenters. Business is booming and we like it that way!

Yes, Chapter Educators, completing forms are a hassle, even if there are only a few boxes to complete. Have your Chapter member complete enough of the form so that they understand what level they are receiving and what pins and patches and what color will be provided. It's the only way to be sure that the Chapter member who is proud enough to show off that bling gets what they want to match previous levels. Attaching a short note to tell us what you want for which member and the dollar amount paid for each will help us come up with the correct total, so feel free to do that. Yes, we need hard copies for our records; our filing cabinets are getting full from all the years' records we have, but they have been needed. We have had to look up a lot of history in the past year of taking on this position!

The second best part of our job is watching members acquire new levels on their way to Level IV. The best part of our job is watching Chapter members practice their safety on Rider Courses, installing new Chapter Educators to expand our ranks, and congratulating the newly attained Master Tour Riders. Come spend the weekend with us and see it happen for yourselves!

Ride Safe,
Dennis and Felicia

Brent & Sandy Blackburn
Assistant District Educators

Hello everyone,

Sandy and I have signed up for all the winter events and can't wait to go. We have started planning our trip to Wing Ding 39 in Grapevine, Texas. We have heard there are a few other couples attending the winter events as well. We heard that the events will be spread out next year with one event in January, February, and March. That would be better than all three in February. This gives more people the opportunity to attend.

Ohio Cabin Fever, February 3-4, at Mohican Lodge in Perrysville, OH.

Indiana Winter Rendezvous, February 17-18, at Clarion Hotel in Columbus, IN.

Michigan Wingless Weekend, February 24-25, at Lakeside Resort in Houghton Lake, MI.

Chapter J2 "Blarney Bash", March 11, at 145 Wilcox Parkway, Clare, MI. 1 - 6 PM Dinner at 4:30 RSVP by March 5th.

Chapter G "Anniversary Party", March 25, at Woody's.

2017 Michigan Rally and Region D Rally, August 10-12, at Osceola Fairgrounds in Evart, MI.

Please join us at the events and have fun. We enjoy all the events that we attend with our extended GWRRA family members.

**Cheryl & Randy Wiggins
Michigan District MEC**

I just received a phone call that shook my world to its core. I recognized the number coming from my grandson's school so I picked it up and there in a very timid voice I heard, "Grandma?", then the conversation went like this; "Yes, what do you need?"

"Can I sign up for Drivers Ed?"

That is when my head went into a whirl wind, my heart started a rapid heart beat and I started to hyperventilate.

Drivers Ed? This is my GRANDSON! Wasn't he born just a couple years ago and started school a few hours ago and then what, just a couple minutes ago became old enough to take drivers ed? Impossible! How could this have happened so quickly? I am positive we just finished going through Drivers Ed. with his mom and aunt not too long ago.

Then I realized I would have to calm down, slow my heart rate, stop breathing into the brown paper bag and answer him.

"No, you are only 14, a little on the small side and we want you to wait another year. This is not a punishment, we just want you to grow up and mature some more before you start driving."

Sometimes in our lives we have to say "NO". No, I don't need that extra doughnut. No, I don't need anymore magazines. No, I have a family commitment and can't ride this weekend.

The problem is that just like saying "YES" too often we can find ourselves saying "NO" too often as well. If a person says "No" too many times they may find that they are left very much alone with nothing to do.

So unlike my Grandson who is not taking drivers ed this year, it is time to start saying "Yes". Yes, I would like to go to the dinner ride. Yes, I would be happy to lead or tail gun the next ice cream run.

Yes, I would like to go have some FUN at another Chapter's event. YES, I WOULD BE WILLING TO TAKE ON A CHAPTER POSITION JUST TO ADD TO THE FUN OUR CHAPTER CAN HAVE!

So join in with the FUN and start making this the year of "YES" to opportunities for FUN.

The opportunities for FUN are starting in February with Wingless Weekend and in March with Chapter J2's Blarney Bash and Chapter G's Anniversary Party. It is time to start saying "Yes" to visit your old friends and with the new ones that you may not have met yet.

Hope to see you soon,

Cheryl and Randy Wiggins

Training... What's New?

By now you have surely heard about changes in our GWRRA world class training. Well our upcoming Wingless Weekend is your chance to checkout some of the NEW Training Modules. We can't wait to see what YOU the members think of them. Three of the NEW modules will be done for the first time in Michigan and you won't want to miss them!

1. **My Enthusiasm Counts** - This module will help members and officers alike better understand the role of the Chapter MEC. What is the primary function of the Membership Enhancement Coordinator? How can TEAM involvement help the MEC achieve even better results? What activities might create excitement and participation in the Chapter? How can the MEC utilize the Area Report List to increase participation? When does the MEC really know they have reached the member?
2. **More Members** - This module gets you on the fast track when it comes to recruiting new members. You will understand the importance of creating and implementing a Recruitment plan. What is recruiting and why is it important? Do we actively pursue new Members? Is there a Chapter plan for Recruitment? How do we create and implement that plan? How do we orient our new Members?

A Penny For Your Thoughts - The objective of this module is to demonstrate how Feedback is an important tool for leaders. What is feedback? What type of feedback should you seek within your chapter? How can you gather feedback from your Chapter Members? Can Feedback be both positive and negative? How can Teams benefit from feedback?

There are many more NEW Training Modules now available. Look for a complete list of current Modules that are now available in the next newsletter! They are all FREE with your GWRRA Membership!

HOPE TO SEE YOU!
 AT WINGLESS WEEKEND!

Gary Lawrence CD of Chapter H-2 invited us to their 26th Anniversary Dinner. They had people come from chapter C. We had a good time and the food was excellent.

He also named Judy McKelvey Individual of the Year. Congratulation Judy that is quite an honor to have. Gary told me you deserve it for all you do for the chapter.

Gary also told me in the 5 years he has been CD he has never had a Couple Of The Year. He said he has ask some couple's if they would like to be Couple of The Year and they declined.

This is my opinion of that. I would not ask them if they wanted to be couple of the year. If me (as the CD) and my staff thought a couple deserve to be couple of the year we would get 2 medallions call them up front at a meeting and give them the medallion and make them couple of the year. We have been doing that at Chapter

W for over 25 years and none have turn it down. YOU KNOW YOU DO NOT HAVE TO RUN FOR DISTRICT COUPLE OF THE YEAR IF YOU ARE CHAPTER COUPLE OF THE YEAR. I would encourage them to participate in the District Couple of The Year selection. If they want to you can get with Gary and Carol Williams Chapter J CD and District Couple of the Year coordinators they can give you all the information on the selection process.

Hi Guys;

The January thaw has come and gone nice but short lived, although we did see a couple of bikes out it. Sure wasn't ours too much cleaning for a 50 mile Ride? We'll just wait it out. But it was sure nice to just get out for a walk or something without having to put on layer of clothing before stepping out the door. Have you noticed the days getting longer?

If you look at a calendar we are at least on the downhill side. Our home Chapter D2 will start Ice Cream Rides in 58 days that's has to put a smile on your face.

Speaking of Smiles if you would like to see a lot more of them come on up to beautiful Houghton Lake on February 24th & 25th, 2017 for Wingless Weekend! This year the theme is Pajama Land. Where else can you enjoy being with friends have some fun playing games and a fine meal all while in your Pajamas. Even check out a Vendor or Two. As an added bonus it will take 2 or 3 days off the countdown till we can once again fire up the bikes and get out and Ride.

So pack up a little bag you will not need much come on up and get back in touch. Don't forget your Bathing Suit, the Pool looks great. So save the Date.

And once again the FUN begins. February is the month when all the new events for the New Year begin. First it's Ohio's Cabin Fever, the following weekend it's Indiana's Winter Rendezvous and at the end of the month, it's our own Wingless Weekend. Hope that everyone can make it to at least one of them. We were able to make it to all three of them last year and had a great time.

Then in the months that follow, Chapter events begin. It doesn't have to be warm out for you to attend another Chapters event. If there is event held in the cold months, the Chapters really do a great job to make sure you the member will have a good time and possibly come back the next year. And you don't have to wait for a Chapter to have a special event, look up Chapters in your section and see when and where they hold their monthly gatherings and try to attend one. Remember, if you attend theirs, they'll attend yours.

Before you know it, spring will be here and we'll be out on the roads again. But, in the meantime, do you need a Medic First Aid class or to take a Riding Class this year? If you do, check with your Chapter Ride Educator to try to get them scheduled.

Hope to see a lot of you at Wingless Weekend

Welcome February! What a great month for couples--and individuals.

There's that international day to celebrate love that is known as Valentine's Day of course, but even more important to all of us 'Wingers' is Wingless Weekend! It's a great time to get away, see friends, make new friends and simply enjoy ourselves, but again, even more important to all of us 'Wingers' is we select our new 2017 Michigan District Couple of the Year! And for the first time, our new 2017 Michigan District Individual of the Year! Yes, February is a great month.

Once again I would like to say thank you to Brent and Sandy for the awesome way they represented the Michigan District as our 2016 Couple. As they get ready to "pass the baton" to the 2017 couple, I know that they hold in their hearts many great memories of their year.

We look forward to seeing all the 2016 Chapter Couples and Individuals, and the new 2017 Chapter Couples and Individuals at Wingless. You may want to make sure and wear your medallions when you're wearing your pajamas! (It will make it much easier to recognize you.)

I'm still hoping to actually get to attend Wingless. I'm doing pretty well, but still haven't received that final yes from my doctor. (I'm moving forward as if he has, though.) See you in your P.J.'s!

Be Blessed,
