So Much news, so little time! The Michigan District is rockin and rollin! For me, I'm either in my rocking chair or I'm rolling down the road. The biggest news to hit our part of the woods is the startup of our newest program, the Michigan Road Safari on April 1st. The concept of having each section select destination checkpoints has resulted in a list that I don't think anyone will say, I've already seen all of these! I thought I had seen a lot of this great state but the list looks great to me. You will read this elsewhere but sign up for \$10.00 and get the passport for a whole lot of fun.

You may have noticed there wasn't an article from your humble District Director last month. That's because I was in the hospital for 3 days and out of commission for about a week just as the article was due. Our Michigan Team did a great job with the "get her done" attitude that I have come to rely on and put out a great newsletter at a difficult time. My heartfelt thanks goes out to each and every one of you.

The newsletter itself is a cause of concern for the Michigan Team. Collectively we put in a fair amount of effort each month to try and keep our members informed and connected. We started a contest to generate more interest in the newsletter. It simply asks the reader to look for their membership number in the paper and to call the District Director or email me by the 15th of the month to claim a \$25.00 prize. We have done this since the Fall Officers meeting in October 2015, and we have had 3 or 4 winners. We would like to

ask our Chapter Directors to help us promote this at all chapter functions. We know not everyone is able to read the District news letter online, and that is why I think you should have one printed copy available at your gathering and at least try to get everyone familiar with what is available. One last thing about the paper, we have done everything short of begging, so here it is, we are begging you to send in a story, anything, communication should not be only in one direction!

Spring is officially here, Easter is near, by gosh it's time to get some bugs on the wind shield! I really enjoy living in the frozen North but I'm jealous of the riders a little south of here that have been able to get out already. Our time is coming!

How about the news of our combined summer Rally? We are ahead of last year in all areas. More rides, new seminars, more vendors, more prizes, a great theme, and we hope more of "You". Come and join us on Wednesday, August 9th, we will leave at 9:30 am for an all day ride to three or more light houses on Lake Michigan. This ride will be close to 250 miles in length with a stop for lunch and gas along the way. The rally opens Thursday with registration and vendors, then a Thursday Night Mystery Dinner Ride. After the dinner ride, we might just have a new, never seen before movie for your viewing pleasure. Don't forget our theme, 1920's Beach Party. There will be contests and games, campsite judging, and, well they said not to tell you everything. OK, just one more! The city of Ewart has a summer concert series and on Saturday night at 6:30 Rich Eddie's Rocking Oldies will be back again this year for an hour and a half concert downtown. This should fit in between our closing and the lighted bike parade. The concert is at no charge. We have something special planned for the lighted bike parade too, but "they" are going to be upset if I keep writing! Believe me, this isn't last year's Rally! It's new and we hope you will be a part of it. Registration is now open!

I am honored to be the FIRST District I.O.Y. (Individual of the Year) for the great State of Michigan. This is a first for Michigan & Region D and I hope this moves on to be as great a program as the C.O.Y. (Couple of the Year) program.

My venture started when a good friend (Mike Boulton Asst State Director) was a member of Chapter J and riding a Goldwing, and I was riding a 1983 R100 BMW. We took one ride on a 1988 1500 Goldwing (left over, just out of the crate) and Mary Dodge asked me how much I could get for the BMW, she was sold. She took a trip to her family in Ark, and I called her and said: "Guess what is home in the garage."

We joined in 1989 and in 1992 Mary Dodge and I were honored to be the second C.O.Y. of GWRRA Chapter J of Jackson, MI. At that time it was a new program and we did not compete at the State level. Then I was also honored to be the I.O.Y. in 2007 for Chapter J before this new program started, also I was Recruiter of the Year in 2007 & again in 2008 for the State of Michigan. Now there are around 67 members I have recruited.

I am a 28 year "Life time Member" of GWRRA Chapter J. I have served on the staff/team in most all of the positions except being CD or Asst CD. I chose to support our leaders as I have told them I might not agree with everything they do, but I will be there to work my tail off for them. My current position is "Raffle Ticket Coordinator" and have been for 15 years, and proud to say that the hard working Chapter J has not been lower than 3rd place in sales in the State of Michigan.

I started riding motorcycles back in 1967 with a 305cc Yamaha 2-stroke, and a 1966 250cc Yamaha "Big Bear Scrambler", 350cc Bulltaco, XT 550 Yamaha, then started touring on a 1978 750 Yamaha Special, which I installed a Vetter Fairing with a 23 CH CB and a 8-track player for music, then I traded it for a 1983 R100 BMW, and started pulling a trailer. THEN my first 1988 Goldwing 1500, which I put 114,000 miles on it and now I am riding a 2004 Black Cherry 1800 Goldwing. I am at 250,000 + miles and with the help of a good friend, Randy Lea, who rode with me to finish up my 48 states, Washington, Oregon, Idaho and Florida being my last state. Everyone has asked me about Alaska and Hawaii. I tell them I am waiting for the bridge to be built to Hawaii. LOL

The big thing I LOVE about GWRRA is that you do not

have to fake it, you can do as little or as much as you want to, just be yourself and have FUN and if honored to be and I.O.Y. or C.O.Y. GO FOR IT. You were chosen for being YOU. Go up to Michigan District Wingless Weekend and participate, it is a BALL.

Your 2017 Michigan District I.O.Y. (Individual of the Year)

What a great honor it is to have been selected as the 2017 Michigan District Couple of the Year. As many of you know, this is the second time Pam and I have been selected as the District Couple of the Year. The first time was back in 2010. We hope to have more fun this time than back then, if that's at all possible. Pam and I really enjoy getting out to chapters that we haven't been to before and meeting new people.

When we do attend other Chapters, we would very much like to meet the Couple of the Year for that Chapter. Remember this is an honor you can bestow on a couple that has done a lot for your Chapter and best represents your Chapter. And yes, we will be talking to your Couple about representing your Chapter next year in the District Couple of the Year selection. It's a lot of fun and you get to meet a lot of other Couples and make new friends. So, we hope to see and meet all of you down the road at either your Chapter functions or other events.

It's April, springtime in Michigan. You know what that means? It means another month of having no clue what the weather will be from one day to the next, but we can sure hope that it means the beginning of riding season!

Riding season brings new opportunities to visit new places, such as will be in our new Passport program, and visit other Chapters for their Gatherings or events. Yes, we can visit all winter long too, but we all agree it's much more fun on two or three wheels

If you are the Chapter Couple of the Year or Individual of the Year, whether you are visiting other Chapters with your own Chapter or on your own, I hope you are wearing your medallions. Be proud of the fact that your Chapter honored you. In fact, whenever you go out in your Chapter 'colors,' be sure to wear your medallion. You can get into some great conversations with people in restaurants or other places just due to that medallion. They love to ask what you 'won' it for. Then you can share how you didn't 'win' it but were honored with it. It's a great lead-in for sharing about G.W.R.R.A.

If you are the Chapter Member Enhancement Coordinator or Director, I hope you are making sure to welcome and acknowledge your own Couples and Individuals, but also those who visit your Chapter Gathering or event. Visitors or not, we acknowledge and applaud our Couple and Individual at every Gathering.

I would like to ask each Chapter Director, M.E.C., Couple and Individual to send me their C.O.Y. and I.O.Y. information. I would love to get three emails about each Couple and Individual. That would mean each of you are reading and responding, not depending on someone else to do it for you. I am looking for names, Chapter, phone number, email, and any other information you would like me to know or even questions you may have to ask.

Couples and Individuals, if you are not already doing so, I would like to ask that you take a few minutes each month to write an article for your own Chapter Newsletter. This is a great way to give back. It can be about almost anything. Have fun with it. Please think about it.

I don't know about you, but I'm looking forward to all the new growth of Spring. Growth in the flowers, green grass, and tree buds. Growth in all of us personally. Have a great April.

He is Risen! He is Risen Indeed!

Easter Blessings,

[Rider Course Registration sign up sheet has been posted to the Michigan Rider Education webpage.](#) Note this form has changed - July 8th at Sault Ste. Marie has been changed to an ARC! And there are some changes from previous years. Classes will not be held at Stockbridge this year as their parking lots are being re-paved and they could not give us any open date. We also will be having Range Only classes at Grayling and Ewart. These are only to be used for Rider Education Levels if you have already completed a classroom with range course in the past, and will only be able to be used every other time that you take a rider course. We also have added a Side Car Course to be held in Bad Axe, Michigan. We have had a lot of interest in that area for classes, and are trying this location out to see if we have enough attendance. Unless we have enough bikes signed up, this, as any other Rider Course, may be cancelled.

Seminars are being rewritten by National Office. Due to this, we have taken down the Seminar Request form from the Michigan Rider Education website. Some seminars are being revised, some are being removed, and some are being added. Until this project is completed, any requests should be emailed to us and we will respond as to whether they are available or not. Motorist Awareness classes are still be available, and are necessary to achieve Level III in the Rider Levels. Please send us a request with three possible dates, a location, and approximately the number of students. We will respond to you with what we can do to accommodate this.

The details are slowly being worked out for the 2017 Michigan/Region D rally. So far it sounds like there are many things that everyone will enjoy. For those that never get to go on the rides there will be an all day ride on Wednesday before the rally starts, so if you want you can get there early and join in on this trip through the west side of Michigan. The group will be visiting lighthouses, the Ludington area, going to lunch and just enjoying a nice day of riding. Ride captains and tail gunners are needed.

One thing that is back for this year is a rally T-shirt. Cost of the T-shirts will be \$15 (\$2 more for XXL and larger) if pre-ordered. Color will be a sand color. The design is nice and emphasizes the 1920's Beach Party theme.

It was decided however that anyone planning on taking the ARC or TRC course during the rally, must be registered for the rally to attend the class. It is really the only fair way to do these classes. There is a limit of 12 for each class so make sure you get your rally registrations and riding course registrations in early.

Don't forget to look for your membership number in the newsletter each month. If your membership number is in the newsletter than you can win \$25, contact Bob Scott if you find it.

There are many events coming up over the spring and summer months with lots of opportunities to ride. With a little planning you can visit other chapters and participate in the Michigan Safari, what better way to spend the riding season than riding with our friends and families. Let's have a great riding season, enjoy the ride and stay safe out there on the roads.

Hope to see you soon,

Cheryl and Randy Wiggins

Great Participation at Wingless Weekend!

Wow what a great turnout for the new Training Modules that were done for the first time in Michigan. The modules were so well attended I thought I need to share the numbers with you. There were a total of 3 new training modules presented by Patti and Myself, Kathleen Heibel and Chuck & Melanie Geggie. Along with 4 Rider Education Seminars presented by Kim & Sandy Barger, Rick & Joy Hebner, Lynn Snyder and Glenn Grasley. The total number of participants was 193 which represented a total of 231 training hours! The feedback I received was all positive other than we shouldn't have scheduled them back to back as some people attended 2 & 3 in a row. Thanks to all the presenters and participants!

Until next time, Ken Kintner, MI-District Trainer

Why was this newsletter a little late? Cause I was fooling around with my FOOD on April Fools Day at Chapter R's Mystery Dinner! I had a baked bean sandwich with chips & pickles! Just for starters!

From the West Side

Well, spring is finally here. Time to start getting your bikes and bodies ready for the riding season. You can get your bikes ready by having a chapter maintenance or TCLOCK day. Make sure everything is working properly on your bike before setting out on the riding season. There is nothing worse than planning on going riding and getting on your bike and the battery is dead or the brakes or clutch aren't working properly. Believe me, I know, I have had it happen to me. And not only do you have to get your bike ready, you need to get yourself ready. We have also been sitting around all winter and not attached to a battery tender. You can get out and start walking around some, get some of the winter weight off, shake off some of the rust, and get yourself mentally ready for another great riding season.

And speaking of riding season, watch the District newsletter, website and your own chapter newsletters for other chapter events going on in the coming months. Now would be a good time to plan on which events you would like to attend. Also on line are the registration forms for the Indiana, Ohio and the combined Michigan-Region D rallies. If you haven't attended one of these before, try it, you might like it. Remember, if you attend their events, they might attend yours. Hopefully by the time this newsletter comes out, we'll have the information on the Michigan Ride Safari that was announced last month. It sounds like it will be a lot of fun and there might be destination on there that you have never been to in Michigan. And if you have, it will give you a reason to go back to.

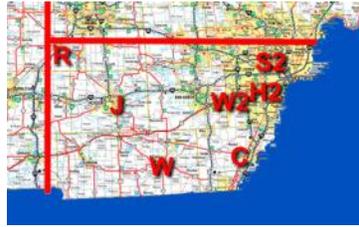

Until next month

Michigan District Road Safari 2017

Welcome to the 2017 "Road Safari". With the help of our chapters from all over the great state of Michigan, we feel we have put together a fun filled opportunity to explore Michigan and meet many new friends. For our purposes, we have the state divided into four sections. We asked each chapters in each section to select to select four points of interest within their section as a check point for our "Road Safari". This way we have come up with a list of 16 check points for our Road Safari.

There is a small cost to participate in the Road Safari. It might be the best deal on the planet! Well, at least in Michigan! You have to purchase a passport for \$10.00. This is per bike, so if there are two of you, it's only \$5.00 each. If, between April 1 2017 and October 30, 2017, you travel to at least 12 of the check points, you will each receive a commemorative Tee Shirt and this is the only way to get the shirt. If you are able to make all 16 check points, you will also be in a drawing for a cool \$100.00 when we present the Tee Shirts at the next year's Wingless Weekend.

We need you to verify that you have been to the check points. There are several ways that you may do this and combination of them will work.

1. Have the location-check point use return address stamp and stamp a page in the passport.

2. Buy something (anything) and get a cash register receipt and attach to the passport. Or fill up the Motorcycle at a local gas station and get a receipt and put it into the passport.

3. You could take a picture of you and the other half at a check point, but it still must be attached to the passport.

Please order your passport from Bob & Marcia Kinsey.

When you have completed your Road Safari, mail the passport back to Bob & Marcia.

Bob & Marcia Kinsey
12170 M-156
Morenci, Michigan 49256

We prefer you to ride your bike, but if circumstance prevent it, your car is acceptable.

If you would like company on a ride, think about calling a chapter in the general area and see if any one might be up for a ride.

You must include at least two check points from each section to qualify.

Please make Checks payable to GWRRR MI District. If you have any questions contact us (517-458-6807)
