So what are you planning for the summer? It looks like we have more planned than most people will be able to do, but there is a good reason for this. We also want everyone to have a variety or choices for what they do. We brought out the Michigan Road Safari April 1st and I think we have had over 50 signed up already. That's a pretty good start for a new program. I've heard of several plans being made to go to Wing Ding this year in Texas. Kim and I are not planning to go, we are praying that I will be eligible for a kidney transplant beginning in August and this takes priority for us. The Indiana and Ohio Rallies are coming up and if you haven't been to one in a while, they are a blast. As you know our District Rally is being combined with the Region D Rally to bring together the biggest and most action packed Rally Michigan has seen in a long time. This will be our last Rally in Ewart for a while and I hope our riders from Ohio and Indiana drive a little farther so we can show them some Northern Michigan hospitality. The Rally pins have been ordered and the first 400 to register will get this very special pin. So don't put off registering, we plan to run out of pins! But what we won't run out of is FUN! There's only one way left for us to make it bigger and better, and that's if you come.

We have come up with what we think is a great looking Rally Tee shirt for this year. Don't be surprised if the Assistant District Director for your section stops in to show you what they look like and be

sure to order any you need with your Rally registration.

I was caught short this month as a promotion for the rally was mentioned in an email and I knew nothing about it. It turns out it was mentioned of all places in the Region D Newsletter in an article by Lloyd Glydewell. Now, I'm supposed to read these monthly newsletters and encourage our members to read them. It dawned on me that this is exactly what happens at the District level and even at a chapter level. If your chapter doesn't provide at least one district paper in printed form at your gathering for those that do not use a computer, as well as your chapter newsletter, you are hand-capping your line of communication.

Anyway, what I had missed is a new level of Rally sponsorship that Lloyd came up with. It's for individuals. If you sponsor our rally with any contribution of \$25.00 or more, your will be recognized and placed in a drawing for \$100.00 at the Combined Rally. This has to be U.S. currency (or Canadian), no funny money! There is one entry at the moment and they are from Ohio. I guarantee there will be at least two! So can you see why it is so important to share what we learn through the Newsletters? It has been 4 or 5 months since anyone has claimed the \$25.00 prize for finding their membership number in our District newsletter. Because I don't have last months winners name in front of me, I'll ask Ken Kintner to mention them in his article. If you know the last months looser, give them a little good natured kidding!

Till next Time, Bob Scott

Gary & Carol Williams 2014 MI District C. O. Y.

Our seven year old granddaughter is an awesome figure skater. She has been skating for two years. She loves to proclaim that she has more gold medals than Michael Phelps. (It doesn't matter to her that he is a swimmer and she is a skater!) The thing is, she does. That does not take into account the few silver and a couple bronze that she has won. Often she competes against girls not only her own age, but also a bit older.

Saturday, April 22, she was honored with the title of the Tri-State Gold Medalist for the Year. As in our Region, that is all the figure skaters in her group for Michigan, Indiana and Ohio. This was an accumulated points title for the past year. She had to skate consistently all year to earn this. She then turned around on Sunday, April 23, and won another gold and a silver. Needless to say, we are very proud of her and her accomplishments.

Our granddaughter earned her gold medal Sunday for how she skated during that performance, not for how she would skate in competition on May 6th.

A Chapter Couple of the Year or Individual of the Year has earned that honor for what they have done in the past, not what they will do in the future.

Our granddaughter may very well choose to continue to give her all and skate her best during future competitions and performances. That is her choice. Who knows, she could end up an Olympian!

A Chapter Couple of the Year or Individual of the Year may very well choose to continue on as they are, which is why they were honored, or even to step up a bit and give their all to the Chapter and GWRRA. That is their choice. Who knows, they could become District Couple of the Year, then Region D Couple of the Year, and even International Couple of the Year! As an Individual they could become District Individual of the Year! (We're working on getting to the Region level. One step at a time.)

No matter our granddaughter's choice for the future, she will be loved. No one will ever be able to take away her accomplishments or medals. She will always be cheered on and cherished.

No matter your choice for your GWRRA future, you will be honored. No one will ever be able to take away your honor or medallions. No one will ever think less of you if you choose to not go through the next Selection process. Should you choose to, then you will be encouraged and cheered on.

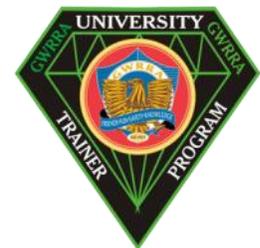

I hope you are enjoying your honor as Couple or Individual of the Year. I hope you are wearing your medallion to show your thanks at being honored. I hope you are thinking about going through the Selection process at Wingless in 2018. That's a lot of hope I have for all of you!

Wait, let's add one more hope to that list. I hope that you are seriously considering attending the Couple/Individual of the Year Day Camp on Saturday, June 10th, starting at Noon at the Jay County Fairgrounds in Portland, Indiana. This just lasts a day, is informative, relaxed and fun. You will spend time getting to know others from around the Region while learning tips for going through the Selection process. If you choose, you may camp at the fairgrounds or stay at a motel, or simply drive in and out for the day. Please see the flier for more details and how to rsvp.

I'm still looking to hear from Chapter Directors, MEC's, Couples and Individuals of the Year with their information. Even if you believe you are 100% not going to go through the Selection process, I would still appreciate the information. You may email me at gwrri.mi.coy2014@gmail.com, call or text me at 517.262.6314. A private message on facebook would work as well. My facebook page is Carol Christopher Williams.

Have fun, encourage one another, be safe, and enjoy your rides.

Training... What's New?

As district trainer I would like to welcome Felicia Schulte, Lynne Snyder and Carol Williams to the list of Michigan members who have completed the ITCP! (Instructor Trainer Certification Program) They are now able to present the new growing list of training modules that are now available. If you see them congratulate them!

Until next time,

Our Wish For You

Another beautiful riding season has begun. Please take the time to relax and recharge on one of all of our favorite things to do—bond with your bike on the open road!

Our Thanks To You

Thank you to Chapter R’s Mystery Dinner for allowing Jan and Ron Smith to raise money for Michigan Rider Education during their event, and thanks to all who donated. We could not do our jobs without them. These monies allow for expenses such as instructors and trainers receiving at least some reimbursement for mileage and any overnight stays needed for Michigan Rider Education to offer seminars, Rider Courses, and MFA to Michigan. Equipment has to be replaced as it wears out, from a printer to a projector to tires on the trailer to a laptop.

Motorist Awareness

A Motorist Awareness class is still required for Level III at the current time, even though Motorist Awareness is now separated from Rider Education. This class only needs to be taken once. If you can’t remember what seminars you attended due to your many years of rallies, chapter gatherings, winter weekends, and wingdings, simply look at your own record online through your training history. If there is a class/seminar listed called MA with a date taken, you have fulfilled that part of the requirement for Level III. There is no expiration date on Motorist Awareness.

Be Safe,
Dennis and Felicia

Cheryl & Randy Wiggins

How many of you have started riding this season? I have done a little riding, but have only gotten in about 3-4 hundred miles. We have had some really nice days, but unfortunately most of those days occurred while I was at work.

W*O*R*K; that dreaded four letter killer of all fun and games. The process of how we spend our time when not engaged in our favorite activities. It takes us away from family and friends and makes us long for the time that is lost. Without it life would be so much better.

O.K. I know that my dream land in which everything is given to us without any expectations is not real. In truth many of us like our jobs. It allows us the financial backing to have a home, family, and to fund our hobbies and our FUN. On top of it, if no one worked where would our bikes come from?

A recent trip for routine maintenance for two motorcycles reminded us just how much it costs to enjoy our hobby. Mine was free as it is covered under a maintenance plan I bought with the bike (it also reinforces my dream land fantasy of getting everything for free). Randy’s however was a little more costly as there was a small problem discovered, but now it is fixed and we have been out on the roads enjoying the ride.

Now that it is warming up some it will be nice to get out on our bikes and go spend time with our GWRRR friends and family. Lots of events are planned for this year; make sure you join in on some. For those that like to camp, the camping kicks off in May with Chapter V’s Memorial Day Weekend camp out along with the Indiana Spring Warm-up. Then there is Chapter C and H2’s Fun Run scheduled for June 3.

Don’t forget the Couple of the Year Day Camp and camp out on June 10 at the Jay County Fairgrounds in Portland, IN. All Couples and Individual’s of the Year are invited to this Day camp to find out more about the selection process and resume. It is also a good time to just get together, relax and have a really good time with new and old friends. This is also open to all Chapter Directors and MEC’s and anyone who just wants to know more about the program. If camping is not your thing there are some hotels in Portland, IN. RSVP by May 27 to Gary and Carol Meyerholtz at re-giondmec@gmail.com or call 812-639-7776.

I believe that is all for now the garage door is open and my bike is waiting.

Hope to see you soon,

Cheryl and Randy Wiggins

Is safety on your mind? It should be. At this time of the year, when we are just now getting back on the roads, drivers in their 4 wheel cages aren't used to seeing us out there. So, early in the riding season, please be more cautious when out riding for the first time this year. I know it really bothers me to be out on the freeway, even in my truck. People now a days are either very impatient or in a great big hurray. And then when you look over at them flying by you, their talking or texting on their cell phones. Around where we live, there are a couple of construction zones on the freeway, I-75, and if you are one of the few that does slow down, others are either blowing their horns at you or letting you know that you are number one to them. I don't know why there are not more police patrolling these areas. That's why we try to stick to the two lanes. It might take us longer, but we didn't buy the bike to be in a hurry to get anywhere. We are really looking forward to getting out and riding more and having fun. You can't do that if you're always worried about someone running you over.

With all of that said, let's go out and have a safe and fun riding season. We have quite a few events coming up in the next couple of months. The Indiana and Ohio summer rallies are coming up. And of course our own rally in August. The registration forms are out there on the District and Region's websites. Plus, check the District website for upcoming Chapter Events. There is something always going on. And also remember about the Michigan Safari passport book. There might be someplace in there that you have never been to before. They could be just a couple of hours away from you or they could also be a nice weekend getaway. Your choice.

Until Next Time

Let's be Safe out there
