Michigan District Directors

Ken & Patti Kintner

Hello Michigan! Patti and I will do our best to serve you the members and can't wait to meet even more of you. Our journey of meeting and making more GWRRA friends started back in 2011 when it was decided we were the Michigan District Couple. Since then we have made more friends and met so many of you it's hard to keep track. We had some great fun at the combined rally and want to thank everyone who had any part of everything that was on the schedule! We would like to thank Bob & Kim Scott for all the work they did over the past three years and our last 3 rallies in Evert.

Now to share some of the changes that have to do with the **District Director...**

(From the GWRRA Website)

The name hasn't changed but the interactions and role has changed. The District Director will help in coordinating activities throughout the District to meet Chapter and Members needs and desires. Your focus will be as a Coach. A Coach, by our definition, is the one who

tells you how to do it and where you can get the needed help to get it done well. The problem-solving approach will be to coach others into a self-discovery after you have shared ideas with them. Then guide the results.

The District Director will communicate to all Members in their District through a modified newsletter, email, social media, Facebook, etc. as needed, with activities and some news of the District. The focus of communication is to encourage participation in activities. Our District Director will have regular (monthly at least) conversations with the Chapter Directors to help keep them focused and to guide them as to where they can get the answers, including from the rest of the District Team.

Our District Director will also coach and facilitate their team to be certain that activities are planned and assist as needed when a Team Member needs help.

If the District puts on a rally, they will coordinate all of their Team and volunteers to put on a rally focused on fun, socialization, rides and education that fits each District's needs.

Overall, the District Director role is the coordinator of fun, riding, knowledge opportunity and Chapter interaction/ socials.

As we look to the future there are many changes happening in GWRRA as you can see. The role of District Director is going thru many changes. What we do know for certain is we will be having a great time at our next three events on the schedule: Fall Officer Meeting on Saturday, November 4th at 10am. The Meeting will be at the church where

Chapter J holds their gathering. Officers plan to attend but the meeting is open to all members. Wingless Weekend at the Lakeside Resort (Houghton Lake). And our 2018 Michigan Rally at the Fairgrounds in Marshall.

As far as the \$25 monthly prize for finding your membership number in the district newsletter we will continue that practice started by Bob & Kim at least until the 1st of the year so if your number is 375976 you have until the 15th to CALL ME! After the 1st of the year things will start to change and GWRRA will operate without our Region Teams. For members one of the changes you will see is the District Newsletter will be more in the form of a bulletin with information directed mainly to Officers & Team Members. And the District Educators will be providing a monthly article directly to all chapters to be put in your chapter newsletters. This district modified newsletter or bulletin will occasionally have promotional items for District Events & Rides.

We want to thank new team members for stepping up and staying on! We still have Bob & Marcia Kinsey as ADDs for the Southeast Section. Rob & Pam Robinson ADDs for the East Central and will be adding Randy & Cheryl Wiggins as ADDs for the West Section along with Phil & Char Smock as ADDs for the North. Our newly installed District Trainers are Rick & Joy Hebner! We are glad to keep Eddy & Charlene McDougal as district treasurers! And what would our team be without Rider Education? Dennis & Felicia Schulte, District Educators along with Brent & Sandy Blackburn, Assistant District Educators will continue the world class GWRRA Education. MEC? Tim & Pam Hanson, our 2017 District Couple will be the next Membership Enhancement Coordinators. All new ADDs & MEC will be installed at the Fall Officer Meeting so don't miss it.

One of the new district team positions is Motorist Awareness Coordinator! Our current MFA coordinator and CD at Chapter J, Gary & Carol Williams will be filling that position. The other new position in January will be District Ride Coordinator. If you are interested contact us or Dennis & Felicia as you would be working closely with the Rider Education Program.

Well that is enough for one month and I don't want to start another column!

Have FUN & Ride Safe! Ken & Patti
Your Newbie DDs

Cheryl & Randy Wiggins Michigan District MEC

The First and Last ever Michigan and Region D Rally was a big success. There were a lot of rides, prizes, games, activities and entertainment. Fun was had by all, at least by all that did not get an upper respiratory infection during the rally, even with that I still had fun. I understand that the pre-rally ride was very fun and everyone had a good time Thanks to Neil for all of the work in organizing it.

There are many changes going on in GWRRA and many happened at the District level. Our new Michigan District Director's Ken and Patti Kintner were sworn in at the closing of the rally. They also announced their new team; there are new Assistant District Directors, new District Trainers, a New District MEC and a New Motorist Awareness Director.

Some of you may have heard that Randy and I have accepted a new position at District level. This is true we will be stepping down or away from the MEC position and becoming the new Assistant District Directors for the Western Section. Tim and Pam Hanson will be the new District Membership Enhancement Coordinators and I am sure they will do a great job.

Randy and I were originally going to go on the pre-rally ride, but opted to head over to Oscoda, one of our old stomping grounds, and ride some of the nice roads on the East coast, after all we ride the west coast all of the time. We had a great time during our ride and riding the River road out to Lumberman's Monument is such a nice road. We are thinking about a fall ride to the area, it will be very nice with all of the colors.

Speaking of fall, have you noticed that summer is dwindling down, the days are starting to become shorter and the sun sets are earlier. The temperatures will start to drop soon and you know what all of this means? Motorcycle weather is getting better!!!!

I love to ride in the cool crisp air. It is more comfortable, breathing is easier and if it gets too chilly all you have to do is put another layer of clothing on. So, here is to two more months of motorcycling and if we are lucky three more months.

Hope to see you soon

Cheryl and Randy Wiggins

A Michigan member recently shared this with me . If you are a CD who forwards emails from district to your chapter members PLEASE read this and if you follow the simple steps you will NOT share your chapter email list with all the other members on the list!

Good Advice about e-mail

Words To Live By.

A friend who is a computer expert received the following directly from a system administrator for a corporate system. It is an excellent message that **ABSOLUTELY** applies to **ALL** of us who send e-mails. Please read the short letter below, even if you're sure you already follow proper procedures.

Do you really know how to forward e-mails? 50% of us do; 50% **DO NOT**.

Do you wonder why you get viruses or junk mail? Do you hate it? Every time you forward an e-mail there is information left over from the people who got the message before you, namely their e-mail addresses and names. As the messages get forwarded along, the list of addresses builds, and builds, and builds, and all it takes is for some poor sap to get a virus, and his or her computer can send that virus to every E-mail address that has come across his computer. Or, someone can take all of those addresses and sell them or send junk mail to them in the hopes that you will go to the site and he will make five cents for each hit. That's right, all of that inconvenience over a nickel! How do you stop it? Well, there are several easy steps. Try the following if you haven't done it before:

(1) **When you forward an e-mail, DELETE all of the other addresses that appear in the body of the message (at the top).** That's right, **DELETE** them. Highlight them and delete them, backspace them, cut them, whatever it is you know how to do. It only takes a second. You **MUST** click the "Forward" button first and then you will have full editing capabilities against the body and headers of the message. If you don't click on "Forward" first, you won't be able to edit the message at all.

(2) Whenever you send an e-mail to more than one person, do NOT use the To: or Cc: fields for adding e-mail addresses. **Always use the BCC:(blind carbon copy) field for listing the e-mail addresses.** This is the way the people you send to will only see their own e-mail address. If you don't see your **BCC:** option click on where it says To: and your address list will appear. Highlight the address and choose **BCC:** and that's it, it's that easy. When you send to BCC: your message will automatically say "**Undisclosed Recipients**" in the "TO:" field of the people who receive it.

(3) Remove any "FW :" in the subject line. You can re-name the subject if you wish or even fix spelling.

(4) **ALWAYS hit your Forward button from the actual e-mail you are reading.** Ever get those e-mails that you have to open 10 pages to read the one page with the information on it? By Forwarding from the **actual page** you wish someone to view, you stop them from having to open many e-mails just to see what you sent.

(5) **Have you ever gotten an email that is a petition?** It states a position and asks you to add your name and address and to forward it to 10 or 15 people or your entire address book. The email can be forwarded on and on and can collect thousands of names and email addresses. A **FACT:** The completed petition is actually worth a couple of bucks to a professional spammer because of the wealth of valid names and email addresses contained therein. **DO NOT put your email address of any petition.** If you want to support the petition, send it as your own personal letter to the intended recipient. Your position may carry more weight as a personal letter than a laundry list of names and email address on a petition. **(And don't believe the ones that say that the email is being traced, it just ain't so!)**

Some of the other emails to delete and not forward are:

1. The one that says something like, "**Send this email to 10 people and you'll see something great run across your screen.**" Or sometimes they'll just tease you by saying 'something really cute will happen.' **IT AIN'T GONNA HAPPEN!!!!** (We are still seeing some of the same emails that we waited on 10 years ago!)

2. I don't let the bad luck ones scare me either, they get trashed.

3. Before you forward an '**Amber Alert**' , or a '**Virus Alert**', or some of the other emails floating around nowadays, check them out before you forward them. Most of them are junk mail that's been circling the net for **YEARS!** Just about everything you receive in an email that is in question can be checked out at Snopes. Just go to www.snopes.com . It's really easy to find out if it's real or not. **If it's not, please don't pass it on.**

So please, in the future, let's stop the junk mail and the viruses.

Finally, here's an idea!!! Let's send this to everyone we know (**but strip my address off first, please**). This is something that **SHOULD** be forwarded, so do it.

Thanks ! for listening .

What does it all mean?

The biggest part is: no more Regions. So at this time please take the time to thank the members of the Region D Team for serving all of us and then focus on the FUN we all have in our futures as GWRRA Members!

Stay tuned for more information!

The changes don't happen till January 1, 2018.

As we get more information we will pass it along.

Dennis & Felicia Schulte District Educators

An interesting article by Wes Siler in RideApart news discussed ten common motorcycle accidents causes:

1. a car turns left in front of you
2. you hit gravel in a blind corner
3. you entered a corner too fast
4. a car changes lanes into you
5. a car hits you from behind
6. your riding buddies are idiots
7. you locked the front brake
8. a car opened its door
9. it's slippery
10. alcohol

Pick any one of these, or all of them, at a chapter gathering and discuss what would YOU do and then come to a conclusion as to what you SHOULD do.

Recent Past

The District/Region rally is now over. More vendors, great entertainment using our own members and their many talents, and rider courses were available. Shiny Side Up had no sign-in's, so sadly that was not held. Starting the process of dividing up Region Rider Education supplies amongst the three District Rider Educators took some time, but was much more efficient and economical to do now when we had all three states together. It did make us ten minutes late to the closing ceremony, though, and we apologize for that. The light parade was great, and downtown Evert was appreciative as always.

Near Future

We are now looking forward to our trip to Grapevine next week. This will be our longest motorcycle trip together, and our longest vacation together, so should be very interesting. Yes, we have done some planning—Christmas came in

August this year with high visibility cooling vests for both of us, passenger cup holder for Felicia so we don't have to share liquid while riding tank to tank, new riding boots for Dennis, new beverage cups for both of us, and a drivers back rest. Dennis will be teaching arider course there, though which one may be in doubt as it's been changed once due to lack of sign-up's. He will then be certified as a Trike with Trailer rider course instructor. League of Aces exercises to be held on the range at Grapevine Mills on Saturday morning after the grand parade are also in need of spotters. We also look forward to hearing about more of the changes to come, and the adjustments to the original plans that are now being discussed.

Future

As you know, District Educators will no longer have Chapter Educators at the chapter level to assist with reporting, help with levels signups and updates, and request seminars and courses for the individual chapters. There will instead be a Chapter Ride Coordinator, who will report to a District Ride Coordinator, who will be at the same level as District Educators. The Chapter Ride Coordinator must be a Level II in the levels program, will be sharing safety tips on riding, and are to plan rides that fit your chapter members. Paperwork for the levels program will still be processed through us as District Educators, and we will continue to write newsletter articles for the Michigan District newsletter, while working with the District Ride Coordinator and the District University Coordinator to plan at least quarterly Education events. We personally consider Wingless in Michigan and the District Rally in Michigan to be two of these Education events as we plan seminars and even rider courses around them, at least the ones during the summer.

Safe riding,
Dennis and Felicia

As you all know Bob & Kim Scott stepped down as Michigan DD. We would like to thank them for the hard work they did for the last 3 years. Now they can set back and enjoy there time at Wingless Weekend & the Michigan District Rally.

Most of you know Region D will be no more after the first of the year. We will also like to thank Lloyd & Becky Glydewell. They did a great job. We will miss the Region D Rally. I Know we will miss them, hopefully see them at all the Rallies .

As most of you know Ken & Patti Kintner has stepped up and are the new Michigan DD. We would like to congratulate them on their new position. We all need to give them our continued support With the changes coming after the first of the year, they will be quite busy learning the new GWRRA

We are starting to get 2017 Michigan Road Safari Passport in.. Is far it appears that a lot are going to all 16 checkpoints. You must send your passport to Bob & Marcia Kinsey. If you send it to someone else your name may not get to us and you may not get a shirt or in the drawing for \$100.00 dollars. We hope you all continue to complete you passports ,there is still a lot of great riding weather to enjoy.

Our address is wrong in the passport. It is:

Bob & Marcia Kinsey

Bob & Marcia Kinsey South East Section ADD

Tim & Pam Hanson
ADD's Western Section

From the Westside

This may be my last article as the Assistant District Director for the West section. As many of you found out at the Rally, Randy and Cheryl Wiggins will be the new ADD's for that side of the state. Pam & I will be taking on the role of being the Membership Enhancement Coordinators for the District. The big change announced at the closing of the Rally was that, Ken & Patti Kintner are the new District Directors. Let's show them the same support that we have given all the Directors in the past. There will be a tough challenge ahead for them with all the changes that are coming from Phoenix.

Even though it was only for a year, it was really nice getting to know more of you. I know we didn't make it to as many functions on that side of the state as we wanted to, Pam still works, and we still enjoyed the ones we did make it to. Please continue to show Randy & Cheryl the same support you gave us.

Speaking of the Rally, the Region and District teams are considering it a big success. Too bad it will be the last combined rally of this type. There was a big turnout of members, great vendors to visit, and good food to be had. The ice cream vendor was very popular. I know we spent some money at the vendors. We had a great pin stripping job done by Mountain Man. Heard nothing but good things about it, after we pulled it out of the building.

The District team will be in the process very soon of planning for Wingless Weekend and next year's Rally. If anyone has any suggestions for a theme for either one, let someone from the team know.

Until Next Month

Gary & Carol Williams 2014 MI District C. O. Y.

What a great time we had in Evert! The time, energy, efforts, ideas, planning and collaboration within the Region D and MI District Teams was awesome!! Thank You to everyone who was involved in the process. A big Thank You to everyone who attended the rally. We are all members benefiting from the fun with being at the first ever combined Region D / MI Rally, (also sadly known as the last Region D Rally).

We had the honor at this rally to have the Selection Process for the Region D Couple of the Year. Tim and Pam Hanson have, and will continue to represent Michigan well. They, along with Rick and Debbie Warrels from IN, went through the process with the judges. After the process was completed, it was announced that Rick and Debbie are the Region D Couple of the Year for 2017-2018. We congratulate them. Thanks Tim and Pam for representing MI. Have a blast Rick and Debbie!

One thing I have loved the past few years is being able to bring in our Chapter Couples from all over at either opening or closing ceremony, in order for them to be introduced to all the membership. I love being able to give them this extra honor. I also love presenting the clock to the current District Couple. I trust that whenever Tim and Pam glance at their clock to see the time, it will remind them of time well spent as Chapter and District Couple of the Year.

Even though we have many changes coming in our Association, one thing should always remain. Honoring a Couple and Individual from your Chapter for what they have been doing in your Chapter. And encouraging your Couple and Individual to go through the Selection Process at Wingless Weekend.

So through the many changes coming from National, Region and our District, I will always support and encourage this wonderful Individual and Couple of the Year program.

Have fun, encourage one another, be safe, and enjoy your rides.

Blessings,

Rick & Joy Hebner District Trainers

Greetings from your new District Trainers!

For those of you who may not know us, we're Rick and Joy Hebner, and it is truly an honor to be asked to be your new District Trainers. We look forward to meeting those of you we do not know when we are out and about.

We hope all of you had a great time at the first Region/District Rally in August. Did you take the opportunity to attend one or more of the modules (formerly seminars) that were presented? If you did, we hope you had as much fun as we did in the one that we presented. We had a very nice group and a lot of good interaction.

What is GWRRA anyway? Why are we members of Chapters, and not clubs? There is an opportunity to attend the "Saturday Blitz" in Ohio in the Columbus Area. There, you will learn more about GWRRA and have questions answered that you may have. The training will be held October 28th, 8:30am to approximately 5pm, in Groveport Ohio. If you are interested, please RSVP to bjones958@zoominternet.net.

Take a look at the flyer on the next page!

As more information becomes available, we will get the information out. There is limited space available. Once again, thank you for this honor and we look forward to serving the great members of the Michigan District!

FOR SALE !

I wanted to place an ad since I'm selling my 1998 Magna.

If anyone is looking to step down in size from a Goldwing or looking for a second bike I have a great ride for sale since buying my Goldwing.

I have a great motorcycle looking for a great home. 1998 Honda Magna VF750, with less than 24,000 miles.

Lots of accessories:
Tour Master Luggage
Bike lift / Cover

Battery tender
New tires
Cover

Great Brakes
Mustang seat
Kuryakyn Highway pegs
Stored in garage always

This runs like a champ and I've taken great care of it and I love the bike, however selling due to purchase of a Goldwing and don't need a second bike right now. Never been laid down, maintained very well.

I have for sale a beautiful 2005 GL1800 Goldwing trike in "Hot Rod" yellow. This trike has 112,300 pampered miles. Lehman "Monarch II" conversion with all of the option including aqua boards and light bars' E-Z Steer and recently rebuilt front end with a new tire. The rear wheels have been upgraded to chrome with new tires. Tasteful pinstripes etc,,, done by the famous "Scarecrow"

It has all of the standard Goldwing features plus all of the audio options such as CB radio, digital music player (replaces the CD player), plus an aux. patch cord, plus a trunk spoiler with brake light. It come with two covers.

There are custom touches everywhere you look on this bike, way too many to list here,and many of which are color matched.

It has Kuryakyn passenger armrests and floorboards and driver backrest, along with many many added chrome goodies... Too many to list here.

This rig has been extremely well taken care of and it shows. The paint is flawless and everything works as it should. Words alone don't do this bike justice. Pictures available upon request. Thanks for looking!

Priced at \$21,500. The bike is located in Saginaw, MI. 48609.
