

Michigan District

Region D "The Great Lakes Region"

"Friends for Fun, Safety and Knowledge"

OCTOBER 2017

Michigan District Directors

Ken & Patti Kintner

Hello Michigan! Fall is here and that means it is time for the Fall Officer Meeting! Your district team is planning a fun day for all Michigan officers to get together and gather information, get ideas, plan for the 2018 riding season, talk about changes and much more. Remember the officer meeting is NOT just for officers. Any member is welcome to attend and share their ideas and or concerns. This is your chance to get involved and contribute to our future FUN! Chapter J is hosting the officer meeting at their monthly gathering location. The Rivertree Community Church, 3113 Lansing Ave. in Jackson, MI. [CLICK for a Map!](#) We plan to provide Sloppy Joes, Chips with a few veggies and bottled water. If you would like to bring anything else to share maybe some cookies? Please feel free! We would like you to RSVP by letting your Chapter Director know and they will give us a total number for each chapter. A couple of things that will be covered are locations of next year's Road Safari and getting the dates on the district calendar of each chapter event. So come with some ideas and dates!

Is your membership number 403058 ? Since this newsletter didn't make it out till mid month. You have

until the end of October to call me if your membership number is 403058 . Just give me a call and you can collect the \$25 prize!

Mark your calendar for March 9-10 then call the Lakeside Resort in Houghton Lake and get your room reserved! [Look for the registration in this newsletter and on the district website for more information.](#) It is sure to be a great time with our GWRRA Friends for Fun Safety and Knowledge! The theme is Cartoon Characters so take advantage of those Halloween costumes that may be on sale in the next few weeks. At wingless we would like to see you in your costumes as well as showing your chapter colors. Let's see which chapters have the most chapter pride.

With the changes coming in the GWRRA structure there is sure to be more fun in our future. There will be more emphasis on Fun Rides and Fun Social activities which should attract some new members. I'm hoping a little time spent on recruitment thru the motorist awareness program will help grow the great association we have. Recruitment is the key to future growth. Remember when someone first invited you on a ride or to a chapter function? It is time to return the favor.

Patti and I are still in the learning mode when it comes to leading the district into the future but with your help, suggestions, encouragement I'm sure we can get up to speed and have a great time with all of you.

Please join us in thanking some new and former chapter officers!
H2—New CDs Keith & Kathleen Calhoun and Former CD Gary Lawrence.

J-New ACDs Gordon & Ella Rudolph and Former ACDs Jeff & Terri Curtis.

Enjoy Those Fall Colors & Ride Safe!

Chapter C

It's officially Fall!! A beautiful time to get our trusty steeds out for a cool crisp ride! The beautiful colors in the hills will surely be a sight for all to see. Be safe while riding with the falling leaves, farm equipment and their remnants and of course the critters roaming around.

Take some time to look up other Chapter's rides and events; you may want to join them on some of their rides. After all, the more the merrier!!

The seasons change and so do many things. If it weren't for change, the world in which we enjoy would be somewhat boring.

As we wind down the end of 2017, changes have begun with GWRRA and will continue into 2018 and beyond. Embrace the Gold Wing Road Riders Association change. Be very positive about these changes as they could be just what we need for continued success with this association.

Lloyd & Becky Glydewell
Region D Directors

If you need more information, please go to the gwrro.org website for everything you need to know. Anita, our president of GWRRA, has explained all the changes and even made a video to watch. She is keeping us very informed. As always, if you have questions, there are many avenues to take to find the answers. Speak to your Chapter Director; you're Assistant District Director, your District Director, your Region Director and Anita Alkire. We are all there to help you through any thoughts and concerns you may have about any of the changes.

Also with the Fall upon us, the Districts will be having their Fall Officer's Meetings. First up is Indiana, October 21 in Lafayette, next is Michigan, November 4 in Jackson, and Ohio, November 11 in Obetz. These are called officer meetings, but everyone is welcome. If you have questions about becoming the next Chapter Director, Assistant Chapter Director, Treasurer, Ride Coordinator or any other position within in the chapter or beyond, this is a great place to get information.

Let's ride into change with an open mind, a great attitude and positivity to keep the GWRRA strong and growing!!

Some quotes to ponder:

Don't just learn, experience.
Don't just read, absorb.
Don't just change, transform.
Don't just relate, advocate.
Don't just promise, prove.
Don't just criticize, encourage.
Don't just think, ponder.
Don't just take, give.
Don't just see, feel.
Don't just dream, do.
Don't just hear, listen.
Don't just talk, act.
Don't just tell, show.
Don't just exist, live."

— Roy T. Bennett, *The Light in the Heart*

If you want change, you need to be a part of it.

— Tim Hanson

The truth is, Goldwing events are never going to get old if we go to each one with the attitude that we're there to participate and we're there to have FUN!

— Lonny & Karen Hunter

If you don't like something, change it.
If you can't change it, change your attitude.
— Maya Angelou

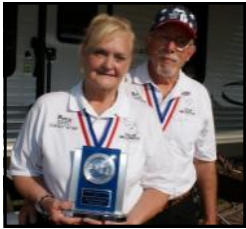

Always turn a negative situation into a positive situation.
— Michael Jordan

You cannot control what happens to you, but you can control your attitude toward what happens to you, and in that, you will be mastering change rather than allowing it to master you.
— Brian Tracy

"Change may not always bring growth, but there is no growth without change."
— Roy T. Bennett, *The Light in the Heart*

Attitude is a little thing that makes a BIG difference.
— Winston Churchill

Bob & Marcia Kinsey
Goodie Sales
2015 District C.O.Y.

We would like to congratulate Keith and Kathy Calhoun as Chapter H-2 new Chapter Directors. If you too need any help you can call me or Marcia or any of the District team and we will be there to help you. Again thanks for stepping up and taking the CD position.

We would also like to thank Gary Lawrence for a job well done. He was H-2 Chapter Director for 6 years. I know if Keith and Kathy need any help Gary will be right there to help them. Again thank you Gary.

We would like to congratulate Gordon and Ella Rudolph as the new Assistant Chapter Directors for Chapter J.

We would also like to thank Jeff and Terri Curtis for a job well done as the former Assistant Chapter Director for Chapter J.

I would like to remind everyone about the fall officer meeting on November 4 . It will be at Rivertree Community Church 3113 Lansing Avenue Jackson MI 49202. It starts at 10:00 am.

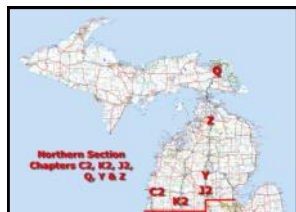

Wingless Weekend will be on March 9 and 10. It will be at Lakeside Resort same as last year.

Bob and Marcia Kinsey ADD for South East Section

Our address is wrong in the passport. It is:

Bob & Marcia Kinsey
12170 M-156
Morenci MI 49256
Bob & Marcia Kinsey
South East Section ADD

Phil & Char Smock

ADDs Northern Section

Hello
my name is

Hello Friends,

Greetings all, but especially to our Northern Section members. We are the new Assistant District Directors for the North Section. Many of you will know us from attending the numerous events held throughout the state; but, for those of you who don't know us, an introduction is in order.

We are the Directors of Chapter J2, the Shamrock Wings out of Clare. We have served our chapter as Couple of the Year and Assistant Chapter Directors. We are fiercely proud of our chapter and hope to continue leading them toward growth and to having more fun. We are also committed to serving you and helping the North Section and our entire district to grow.

We live in Clare with our dog, Odie and our three cats. We have two daughters; one in Portage, MI and one in the Tampa, FL area. The Florida daughter has four children and three grandsons. We are expecting our first great-granddaughter in December and hope to visit soon after she is born. Our daughter in Portage is a science teacher and just became engaged at Christmas. We are former 4-H leaders and band boosters.

Phil has been part-owner and operator of a commercial heating, cooling and restaurant equipment business in Mt. Pleasant for the past 32 years. Our 2008 Goldwing is his stress reliever (and mine too). This has been a hard year for him as he has not been able to ride much because of neck pain. However, we are in the process of recovery from a recent cervical surgery and know that next year will see us riding more.

While attending college, I served Clare Schools as a bus driver, volunteer and mentor for 22 years and was also a Michigan Farm Bureau County Administrative Secretary for nine years. I had to become licensed in health insurance for that job. When I left that position, I went back and received my personal property license. I am now retired and glad to be able to care full-time for Phil, our pets and our kids as their needs arise.

While Phil is off work, we will make it out to visit with each of our North Section chapters very soon. Although, not officially sworn in yet, we feel very strongly about helping you succeed and grow. We want to meet your members and discover your wants and needs as soon as possible, so we can take that information back to Ken and Patty. With the lessening of paperwork and requirements from GWRRA national, we hope that we can see some chapters come back or at least see those in existence grow.

Our e-mail address is pcsford@yahoo.com and Phil's phone number is 989-737-6533. Please feel free to contact us with any issues; we're here to help you.

Yours as Friends for Fun,
Knowledge and Safety

Phil and Char Smock

403058

Tim & Pam Hanson
ADD's Western Section

From the Westside

This one will be our last article as the Assistant District Directors for the West Section. Randy and Cheryl Wiggins will be installed as the new ADD's at the Officers meeting in November. Pam and I will be installed as the new District Membership Enhancement Coordinators. We look forward to stepping in for Cheryl and hope to be able to continue the great job she has been doing.

Even though we don't live anywhere near there, it has been a great time, representing the members of the West Section. Please continue to give Randy and Cheryl the same support that you gave us.

This last year has seen a lot of change throughout the state, we have lost some chapters and members, changes of officers, and the changes that are coming later this year from National. But, we believe that the state is heading in the right direction. Some chapters are growing with new members. There is a chance that we might be able to bring back some chapters that have closed. And with the changes coming from Phoenix, we are going to be even more member oriented. This organization started as a group of friends that had a like interest, riding a motorcycle, not just meeting and talking business. Let's get back to that. Have your monthly Gatherings, but keep them to less than an hour and weather permitting, someone come up with an idea for a ride. It could be just a short ride somewhere or it could be for the rest of the day or evening, depending on when you hold your gatherings. Also, plan on some weekend rides. The more time we can spend together, the more we can learn about each other and maybe the more ideas will come out. Let's just get out and have some fun and no more business as usual.

With all of that said, fall is here and the leaves are starting to change and fall. Please be careful when out riding, especially early in the day when the leaves are wet with morning dew. Also, it's time to start planning winter events and working on next year's schedule. Chapters will be picking dates for their next year events at the Officers meeting.

We hope to see all of you down the road in the next year. Until Next Time, Be Safe Out There

Rick & Joy Hebner
District Trainers

Change! We are excited about all the changes coming in January to GWRRA. There promises to be more focus on F-U-N. That's why we're all here anyway, right?

Now's your chance to let us know what YOU want. We are working on the seminar/module schedule for Wingless Weekend. What do YOU want to see? Did you know that you are able to access the entire list of available training modules? Type in www.gwrradot.com, click on the Resources tab, and near the bottom is the Seminar/Module List. There are three primary areas: Ride, Lead and Live. Please look over the list and let us know what YOU want to see at Wingless Weekend and we will do what we can to schedule those modules the majority of you want to see. If we're not able to provide them at Wingless, we will try to get them scheduled at a Chapter event for you. But we don't know what you want if you don't ask.

This is just a reminder that there is a special training coming up, being presented in Ohio on October 28th. What is GWRRA anyway? Why are we members of Chapters, and not clubs? This is YOUR opportunity to attend the "Saturday Blitz" in Ohio in the Columbus Area. There, you will learn more about GWRRA and have questions answered that you may have. The training will be held October 28th, 8:30am to approximately 5pm, in Groveport Ohio. If you are interested, or have questions, please email bjones958@zoominternet.net. RSVPs are required.

Take a look at the flyer in this newsletter for more information.

Dennis & Felicia Schulte District Educators

Fall, y'all!

Rider Courses for this year in Michigan are now completed. Numbers for this year were 43 Riders and 7 Co-Riders at 6 classes in Ionia, Pontiac, and Evart. Last year there were 47 Riders and 12 Co-Riders at 8 classes held in Ionia, Pontiac, Grayling, Stockbridge, and Sault Ste Marie. As we've mentioned, Stockbridge was unavailable to us this past season due to their re-paving parking lots. As most of you know, the Rider Courses in Grayling, Sault Ste Marie, and Bad Axe that we had scheduled and planned the host sites for ended up being cancelled due to only having one to three registrations. A full class for one ARC/TRC instructor is six students, and it is not economically feasible to hold classes for three registrations or less. Rick Andreen, our current Michigan Rider Course Coordinator, and past Michigan District Educator, will continue to set up courses for next riding season. I have also been certified this year as a Trike with Trailer instructor, so if there is interest, this can be added as a class.

Yes, we will also continue with the Range Only Rider Courses; one must have previously completed a Rider Course in the past. These Range Only Rider Courses can only be alternated with the full Rider Course of classroom instruction and range instruction. We enjoyed the seven riders and one co-rider that participated in the Evart range only classes.

Below is information reprinted from GWRRA Officers Connect found online at <http://gwrro.org/oconnect/officerresources.html>. There are also short videos at this website by Anita Elkire, President of GWRRA explaining the changes in GWRRA.

"Chapter Ride Coordinator

As we change our focus we need to have someone coordinate our rides. We want this position will be under Rider Education so this person has to believe and participate in our Rider Education program and be at least a level 2 and a Road Captain, which is why they are an Officer of Rider Education. Their role will not be the same as the previous role of the Chapter Educator as we want you to focus your energy on planning all variety of rides that suit your Chapter Participants. As you get ready for that ride you will conduct a very informative Rider Meeting and you will

encourage safety, i.e. T-Clocs, group riding techniques; safety clothes and more. You accept the Riders that show and they need to be in compliance with State law. You will encourage, communicate and lead the way sharing GWRRA's benefits of safety as developed through our Rider Education Program. You will not be focused on paperwork but on the opportunities to ride and share. If you sign Members into the program, that is a bonus, but sharing your passion for the ride is your piece of the fun equation.

What Happens to Rider Education?

Great question. We will cover it more as we discuss the positions in the District, but the primary responsibility for the Rider Education Program will happen at the District level. The District will encourage the Chapter Rider Coordinator keeping them up to date and aware of the goings on with the Rider Education Program and assist as needed to meet the needs of the Chapter. As you read the District Structure you'll understand their new role as well. Gold Wing Road Riders Association "Friends for Fun, Safety and Knowledge" 21423 N. 11th Avenue Phoenix, AZ 85027 Phone: 800-843-9460 Fax: 877.348.9416 July 2017 New Organizational Structure for GWRRA District Structure modified newsletter required at this level The District now becomes extremely important to both the Chapter Team but also to the Members. They will have some direct responsibilities to our Members with this change. Some of the responsibilities that were once done at the Chapter will now shift up to the District.

District Educator

The District Educator will promote the program of Rider Education. They will write articles to promote the program for Chapter Newsletters. They will be the reporting arm of activities (N6) to Team GWRRA. Paperwork for the levels program will process through this position. The District Educator will work to-

gether with the District Ride Coordinator for the benefit of the Rider Education program each following their specific responsibilities. Gold Wing Road Riders Association "Friends for Fun, Safety and Knowledge" 21423 N. 11th Avenue Phoenix, AZ 85027 Phone: 800-843-9460 Fax: 877.348.9416 July 2017 New Organizational Structure for GWRRA The District Educator will work with the District Ride Coordinator and the District University Coordinator to plan at least quarterly Education events. The Ride Coordinator will create the fun of the ride to the destination and assist the District Educator along with the University Coordinator to plan the education program. The event should be fun and social with education the theme. The District Director will support and the District MEP will provide some of the fun activities to be included in the day/ weekend event. If the District puts on a rally, the Educator will work with the Team and volunteers to put on a rally focused on fun, socialization, rides and education that fits each District's needs. This and the education events will be the place to really promote the Rider Education levels Program.

continued...

Dennis & Felicia Schulte
District Educators

The District Ride Coordinator will plan District rides of all types throughout the year. Their audience is not only the Chapters but all Members in the District. Through the use of social media (Facebook, Meet Up, etc.) the Ride Coordinator will establish a calendar of available rides, open to all and open to all bikes. They will work with the Chapter Ride Coordinators to ensure their rides are included on the District calendar. If possible, archive all the rides to create a GWRRRA Member Electronic and/or print Ride book each year. The District Ride Coordinator will reach out to all the Members in the District to invite them on rides and work toward inclusion of those who do not regularly participate with a Chapter or the District to have them come out to the rides and possible the Education events. The District Ride Coordinator will work together with the District Educator for the benefit of the Rider Education program each following their specific responsibilities. The District Ride Coordinator will encourage Members toward safety and safe riding techniques. They will also share with the Members how to participate in the Rider Education Program. In addition, the District Educator will work with the District Ride Coordinator and the District University Coordinator to plan at least quarterly Education events. The Ride Coordinator will create the fun of the ride to the destination and assist the District Educator along with the University Coordinator to plan the education program. The event should be fun and social with education the theme. The District Director will support and the District MEP will provide some of the fun activities to be included in the day/weekend event. If the District puts on a rally, the Ride Coordinator will suggest ride in routes as well as rides during the rally. They will work with the Team and volunteers to put on a rally focused on fun, socialization, rides and education that fits each District's needs."

Again, these paragraphs above that are all in quotes come directly from the Officers Connect website in the article "Why Change the GWRRRA Structure July 2017".

Safe riding!
Dennis and Felicia
MI-DE

Cheryl & Randy Wiggins Michigan District MEC

Can you believe it is already October; the colors are coming on full and bright. Soon kids will be knocking at the door asking for handfuls of candy; we will all be sitting down to a turkey dinner and then singing holiday songs and wishing every one a Happy New Year. I know that it seems like I am rushing through three months, but sometimes doesn't it seem like we woke up on Monday, sat down to lunch on Wednesday, dinner was at Friday and time for bed Sunday? It just seems like time flies by so fast these days. My parents warned me that when I got older time would go by fast, but they never said it would happen at warp speed.

Randy and I always take a fall ride into the U.P. This year we are lucky enough to have extra warm weather for our trip. Most years we would freeze without our heated gear. As much as I like riding around Lake Superior, I prefer it at 70 degrees over the 40 degrees we usually get. We love riding H58 from Munising to Grand Marais and back again. It is a really nice road, very little traffic and there are several areas to pull off and do some sight seeing as well. There are also good restaurants at both ends of the road.

Even though our time for taking long rides may be coming to an end for this year we don't have to stop having fun with our GWRRA friends and family. There are 2 Anniversary parties in October, Chapter Y's is on the 7th and Chapter V's is on the 14th. Plus we always have the monthly gatherings, dinners and other activities to keep us busy.

Hopefully many chapters have been keeping track and filling out the Chapter of the Year Paperwork. Also are your couple's and individuals going up for selection? If so they need to start working on their resumes. Again for the Individual's just fill out the Couple of the Year resume and at the top mark it as Individual. Since we are in a transition for this year Tim and Pam may have some additional instructions or requests at the Officers meeting.

Don't forget the Fall Officers meeting it will be held Nov. 4 at River Tree Community Church in Jackson, MI. More information is available on the GWRRA website.

Enjoy the fall riding while you can and take advantage of the warm weather.

Hope to see you soon

Cheryl and Randy Wiggins

FOR SALE !

I wanted to place an ad since I'm selling my 1998 Magna.

If anyone is looking to step down in size from a Goldwing or looking for a second bike I have a great ride for sale since buying my Goldwing.

I have a great motorcycle looking for a great home. 1998 Honda Magna VF750, with less than 24,000 miles.

Lots of accessories:

Tour Master Luggage

Bike lift / Cover

Battery tender

New tires

Cover

Great Brakes

Mustang seat

Kuryakyn Highway pegs

Stored in garage always

This runs like a champ and I've taken great care of it and I love the bike, however selling due to purchase of a Goldwing and don't need a second bike right now. Never been laid down, maintained very well.

\$3k.

Let me know if you or anyone you know may be interested.

Pictures can be seen on my facebook page.

PH: 248-770-2319

Thank you and if you have any questions please feel free to contact me.

I have for sale a beautiful 2005 GL1800 Goldwing trike in "Hot Rod" yellow. This trike has 112,300 pampered miles. Lehman "Monarch II" conversion with all of the option including aqua boards and light bars' E-Z Steer and recently rebuilt front end with a new tire. The rear wheels have been upgraded to chrome with new tires. Tasteful pinstripes etc,,, done by the famous "Scarecrow"

It has all of the standard Goldwing features plus all of the audio options such as CB radio, digital music player (replaces the CD player), plus an aux. patch cord, plus a trunk spoiler with brake light. It come with two covers.

There are custom touches everywhere you look on this bike, way too many to list here, and many of which are color matched.

It has Kuryakyn passenger armrests and floorboards and driver backrest, along with many many added chrome goodies... Too many to list here.

This rig has been extremely well taken care of and it shows. The paint is flawless and everything works as it should. Words alone don't do this bike justice. Pictures available upon request. Thanks for looking!

Priced at \$21,500. The bike is located in Saginaw, MI. 48609.

For more details, call Tim @ [989-737-4709](tel:989-737-4709) or email @ tbush4778@gmail.com
