

## Spring Wing Warm Up Thursday Night Dinner Ride

Hi Everyone,

I have some news for all those attending or thinking about attending SWWU in Winchester. After some scratching and digging, we have come up with a Thursday night Dinner Ride for the group. This ride has always been a lot of fun in years past and hopefully will be well attended again.

We will leave the fairgrounds at 4:00 PM and we will be going to the Pickle Lounge in Hartford City (39 miles from Winchester). They will be putting on a buffet supper with Baked Steak, Sliced Ham and Pulled Pork. Sides will include Cheesy Potato Casserole, Green Beans, and Corn among other things. It will also include soup and salad bar for \$8.95 per person, **drink, taxes and tip not included**. Everyone will be responsible for paying for his or her meals upon completion of the meal.

There is no dessert planned because, after we finish our meal our plan is to take those that would like to go on a 10 minute ride to Indiana's most popular ice cream establishment (Ivanhoe's in Upland). After finishing our ice cream we will head back to Winchester (approx. 50 miles) and should be back before dark.

Depending on the number of bikes, I am going to need several volunteers to help lead the ride. If you would like to help with leading this ride, drop me an email

at [dlewell@lignetel.com](mailto:dlewell@lignetel.com) and I'll put you on the list. If you have any questions, drop me a line.

Thanks All

Duane Ewell
