March District Directors 2022

WOW it's March and Wingless is only days away and we can't wait to see everyone in Chelsea. Our Michigan Team has prepared for a Fun and Exciting weekend with our GWRRA Family for some Fun, Safety and Knowledge! So let the sun come in and the Hawaiian Luau began!

We had an exciting month, one of our highlights was a fun filled weekend at Ohio's Cabin Fever their winter event at the Salt Fork Lodge. We had 8 Michigan members that went to Cabin Fever, we even saw the elusive Big Foot. There were many activities there, one of the highlights was a great escape room ran by Indiana's DD Rick and Debbie Warmels. Ohio kept you busy with classes, euchre tournament and games. It was a fun time.

With that in mind we only have 11 more days until our own Wingless Weekend. And boy do we have a fun filled weekend planed. First, we have many great University class lined up for Friday and Saturday. With "Running Mountains, Hills & Curves" and "My Enthusiasm Counts" on Friday, and Saturday is "Motorcycle Crash Scene Response", "Co-Rider" and "Motorist Awareness". We would love to see a lot of class participation as we can always learn something new in each class.

Rider Education has games and ticket sales. Drop by talk to Dennis & Felicia as Jan will be Quiet on Friday and they might want someone to talk to. You could learn more about the levels program or when the next rider course is going to be.

Are you good at Euchre? Well try your luck at our tournament. With vendors, games, Chinese auction, and Chapter sales your sure to have a great time. Also, you may want to check your packet as someone will have a special surprise to claim follow directions. Let's don't forget to stop by the goodies table for your new 2022 Safari book with 16 new stops, and those that qualified and sent in your 2021 book to drop by and pick up your T-shirt. Saturday night someone will be getting $100.00 for completing all the road Safari stops but not us we only got 14 of them. Chapters please remember to bring a door prize.

Don't forget your doorhangers, table centerpieces and mascots, all to be judged. So come to the Hawaiian Luau and have some fun while you're at it consider doing a skit or dressing in favorite Hawaiian garb as we will be doing a Hawaiian parade to determine the best dressed individual, couple and chapter. So, for now "Aloha Ohana."

Stay Safe and Keep it Between the Lines,

Dave and Carolyn Frazer,

MI- District Directors

Almost spring!

Colleges, high schools, and government complexes are being contacted with a couple date choices given to them to choose the best for them. These places charge little, if any, fee, so if their events take priority, we have to adjust to them. ARC's and TRC's will be scheduled at each venue. A registration form will be made available as soon as we have each date chosen by the venue.

Tentative dates:

Ionia on May 28 or May 7
Pontiac June 4 or June 25
Grayling are July 16 or July 9
Sault Ste Marie is August 6 or August 13

Stockbridge is being contacted again to see if their parking lot resurfacing will still fit our needs of completely clear space with no parking lot lights, abutments, or islands, placed.

The Motorcycle Safety Foundation has a lot of great information and can be found through a search for Motorcycle Safety Foundation online. Although we have found that DOT in some states, including Ohio, provide bumper stickers, signs, and information free to anyone who requests them, Michigan is one that does not. So I use this website a lot to gain information, although not free materials.

A common theme I've been seeing in other motorcycle magazines is to ride within your skill level and situational limits. I think this is just as important for me as an older member as it is for a brand-new rider. My health may not have changed in the past year, but from five years ago, I certainly have added aches and pains after a day of riding. Rider courses are a great refresher, most of all because you are practicing away from traffic. Yes, some of our Rider Courses have parking lots that have divots, low spots, maybe even one obstruction. That means they are not perfect, but I think it also means that we learn to handle our bikes on uneven surfaces and even on wet surfaces and in windier conditions.

Hoping to see you all at Wingless Weekend. Please feel free as a chapter or as an individual to donate a prize to the Rider Education games; they are greatly appreciated and all funds received through the games stay with Michigan Rider Education. You all provided $798.10 for the Send Your Instructor to Camp fund, which allowed for an instructor to go to this camp, along with funds previously raised. That $798.10 was raised through the incentive program of Keep Jan Smith Quiet for $200 per hour. On Friday, March 11 from noon to 5 please visit the Rider Education tables at Wingless Weekend because four out of those five hours will be silent (at Jan's end of the tables, anyway!)

Stay safe,

Dennis

Hello From Your North Section Friends,

Welcome to March! It's a great month for sunshine as we welcome spring, celebrate our Irish heritage, party at Wingless Weekend, and see J2 host their Blarney Bash. J2 will be honoring their 2022 Couple and Individual of the Year at the Blarney Bash. We hope you will attend and congratulate their choices as members who have helped their chapter be successful this last year. They'll also be crowning a new Leprechaun King and Queen! Could it be you? Mark your calendar!

As you check your calendars to see exactly what day Spring begins, we hope you will also mark your calendar for both the Bash and the Winter Rally. The Wingless is going to be a feasting and sun-worshiping festival with Luau as our theme. So much FUN has been planned for the members, you'll have to see it to believe it!

With Blarney Bash following two weekends later, that will add to the beginning of a FUN-filled Spring and Summer of riding, camping, chapter parties and classes with games, awards, drawings and food.

April is usually a slow month, but not this year. The Spring Officers Meeting is in St. Louis on the 30th. Lots of changes this year! But, prior to that; many will be attending Chapter G's Anniversary Party on the 9th, and J2 is going to host a Day of Enhancement on the 23rd with classes that improve our understanding of GW and the hallmarks designed to help us grow ourselves and our chapters. These FUN classes will be open to the entire district, and it will be a good time to meet other members from around the state.

Meeting friends, both old and new, is one of the best hallmarks of GW. While on vacation, we recently attended three events in Florida with our friends Kip and Janet from On-H and Jon and Sandy Badour from Z. Much to our surprise at a luncheon Kip and Janet invited us to at the Crazy Fish in Dade City, we got also got to visit with Michigan's North Section members Neil Pifer, Bob and Carol McConkie, and Bill Mackowski

We are proud of our North Section members Bob and Carol for the leadership they are giving to FL2F as their Ride Coordinators, for which they were honored with being named their Couple of the Year. They were the first campers to sign up for the North Section Campout and volunteered to help lead rides. Unfortunately for us, they were later informed they have a graduation to attend. We hope they will still be able to camp with us and share some of their stories about their Florida ride adventures.

If you get a chance to look at the Florida District Newsletter, you will see that we had an adventure while attending a Section Luncheon at Harpoon Harry's with Jon and Sandy. Char won the grand prize for being the last member whose card was drawn for a dinner for two with drinks and dessert. It was a gag gift and all in good FUN; glad she's a good sport! But more importantly, we learned that occasionally pulling our section chapters together for some FUN and fellowship is a new venture being proposed by National. That was a boost to our pride of the North Section since we've been taking that path already in the spirit of the GW Hallmarks.

FUN, fellowship, education, hugs, new and old friendships rekindled… GOODBYE COVID!!! Let's get this party started! And, thanks Ken Kuiper for waiting for us to get our article in. On behalf of the North Section; our deepest sympathy to you and your family on the passing of Deb. She was sure a trooper and she will be missed!

Forever your friends for FUN, Friendship and Knowledge,

Randy & Cheryl Wiggins

Here it is March already, I am looking forward to my first ride of the spring coming up. I was looking at Facebook an had a memory from 4 years ago pop up. It was posted on February 28, 2018, and in it I talked about going on a 70 -mile ride that day. It is always amazing at how the weather works, one year you're riding in February and the next year you may not be able to ride until May. I am hoping for an early ride this year.

I am very much looking forward to Wingless weekend in less than 2 weeks, don't forget to bring an item or two for the Chinese Auction on Saturday. We are in the process of making plans for other upcoming events, such as Blarney Bash with chapter J2, we may try the Chapter V's Chili cookoff this year since we don't have to work the next day anymore, Chapter G's Anniversary Party, Wing Ding, and our own chapter rides. We are hoping for a good year of riding this year. It is always so nice to get together with others who share the same interests and after the last couple of years we all need to get together once in a while.

We are also trying to make plans to go on a long ride with friends of ours. Not sure where we will be going this year, but no matter where we end up going, I am looking forward to it as well, because there is nothing better than riding and sharing the experience with others.

My suggestion for this year is make the most out of the time you have. Get out and see family and friends, go to chapter, district and national events, ride as much as you can, take 4 wheels when you can't. Get involved in something you care about. See people that you haven't seen in a while, have fun and share the fun with others. But my number one suggestion is to Enjoy life!
