June Newsletter 2022

Can you believe it, June is already here and Riding season is among us everywhere in this great State. Our District Ride Educators Dennis and Felicia Schulte and the rest of Michigan rider education staff has presented an ARC, TRC along with a road Captain Course for our members already this year. Guess What? There are more coming up so, if your interested in a TRC or ARC course get a registration form from our web site as there is still a couple of more classes left and they are a day of great fun and learning. While we are at it Dennis and Felicia have come up with a place to have the District Master Breakfast not far from the campground at the Cattle Run Cafe. So, Master Tour Riders Check it out online and on the updated Rally Registration Form. Hope to see you there.

Our very own District University Instructors Rick and Joy Hebner are looking for some instructors willing to give up a little time at the District Rally to teach a class. If you're willing to help, please get with Rick or Joy. I know he will appreciate the help and you'll get to walk away showing others that learning isn't just informative but fun too.

I love seeing all the pictures from our GWRRA Family on different rides and Safari Stops. It shows we are out riding and enjoying the great weather with our GWRRA Family. With that I Just want to let you know we still have a few Safari books left so if you want one get with Carolyn, she'll make sure you get them quickly.

As you know it's now June and the Rally is only months away, so ADD's check with your chapters to see who still have tickets and what are they doing to get rid of them. Some of the chapters this year started thinking out of the box and have done good, thank you very much, but we don't need surprises and chapters turning in tickets that they've been sitting on since December. So please get back with your ADD's or me or Carolyn so we can see what we can

Michigan District

"Friends for Fun Safety and Knowledge"

do to help or to reline some tickets to get them sold. Sitting on them in the closet don't get them sold. Please remember selling these tickets not only help your chapter and the district but also helps The Rainbow Connection which really appreciates all our support, but this can't happen without you. So please remember the kids and help sell these tickets Thanks a lot from the bottom of our hearts and theirs too.

Let's remember the Michigan District team is working hard on the District Rally which is on August 18th thru 20th with the theme," The Wild West." So come along partner and get ready for a root-in toot-in good time.

As the riding season is on the way there are so many events happenings that many will overlap each other. I know you just can't make every one of them even thou you love supporting other chapters. So remember do what you can, enjoy the ride, and don't sweat the small stuff life is to short, So Stay Safe and keep it Between the Lines.

Love Ya All,

Dave & Carolyn Frazer

Proud of GWRRA Michigan,

It is not only great to be able to have classroom and course Rider Courses again, but to see so many helpful faces out there is always the best way to start off the year's courses. Although working with these places remain difficult due to parking lots not being blocked off, staff changes, building changes, etc., you show up ready to hold a tape measure, listen and respond, bring up discussion topics, and work through them with us.

U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) reports that motorcyclist deaths accounted for 14% of the total highway fatalities in 2020. Per vehicle mile traveled, motorcyclists were about 28 times more likely than passenger vehicle occupants to die in a motor vehicle crash and were 4 times more likely to be injured. We are not trying to scare you with these statistics.

There are risks to everything we do and even what we don't do. Statistics on motorcyclist fatalities and their causes do give us some reasons. 34% of all motorcycle riders involved in fatal crashes in 2020 were speeding. Motorcycle riders 25 to 29 years old involved in fatal crashes had the highest speeding involvement at 45%.

Motorcycle riders involved in crashes had a 27% higher percentage of alcohol impairment than any other type of motor vehicle driver. 41% of the 2,158 motorcycle riders who died in single-vehicle crashes in 2020 were alcohol impaired.

The U.S. Department of Transportation has some very short videos regarding motorcycle safety and riding sober at <https://www.trafficsafetymarketing.gov/get-materials/motorcycle-safety/ride-sober-or-get-pulled-over-motorcycles>.

The Motorcycle Safety Foundation has 5 tips for riders and 5 tips for drivers at <https://msf-usa.org/SafetyAwarenessMonth.aspx>.

Do what you can; love what you do. Protect you and yours. Drive safely, drive defensively. Take rider safety courses.

Be safe,

Dennis and Felicia Schulte

COUPLE OF THE YEAR / INDIVIDUAL OF THE YEAR

Many Chapters announced their Chapter Couple and Individual of the Year at their Christmas party, or in January to begin the year.

Others have announced in other months since, and some are still to be announced. I trust that you'll continue reading as I discuss possible concerns about when announcements are made.

For all of our Chapter Directors, I thought it might be a good time to review some basics before announcing a Couple or Individual.

*The Couple must consist of one male and one female.

*Both male and female must hold Individual or Family Membership in GWRRA.

*Membership must be valid through the conclusion of the term of the Chapter Couple or Individual of the Year position they are being announced for.

*The Couple or Individual must have completed at least one-year membership in GWRRA prior to being named Chapter Couple or Individual of the Year.

**A Couple or Individual may not be selected as a Chapter Couple or Individual of the Year in consecutive years. If a Chapter does not have a new Couple or Individual of the Year to replace the current Couple or Individual, that Couple or Individual may continue to serve as the Chapter Couple or Individual for a second term. However, they may only participate in the District Selection in the first year!

***Speaking of the District Selection, only the CURRENT Chapter Couple or Individual may go through the Selection process at Wingless.

And they need to have been the Chapter Couple or Individual for at least 90 days. Please remember this when you choose your announcement dates. Those announced in December or January could make the 90 days before Wingless, depending on the Wingless date in March. Plus, they would want to/need to, go through the process right away. If not, they would no longer be eligible the next year as they would no longer be current. Perhaps those announced mid year might be best as they

would have time to enjoy being their Chapter ambassador and gain activities for their resume in case they do choose to go through the Selection process at Wingless. Something for some Chapters to consider that they might want to change.

The Chapter Director selects that deserving Couple or Individual, they DO NOT ASK them. Equate it to the

Oscars or Grammys. They are not asked if they want the famed statue. They are simply honored to receive it for what they have done in the past, not what they will do in the future.

Movin' on...

Do you realize that the Wild West isn't that far off! We're planning to add a little sweetness to all of you, and asking for your help to do just that. Gayle and I have been discussing a way to help with the state funds to cover some of the expenses that the State pays to our new Couple and Individual. Similar to the things done to help with Rider Ed funds. It's just being honest that the funds are not what they used to be. So, we've talked, and we brought Dave in on this conversation, of course. So here's the plan...

We're going to have a Cookie Sale at our Wild West Rally!!

Everyone likes a treat or two during the day or as their dessert, and we'd like to help with that! We're asking Chapters to donate homemade cookies or cookie bars, individually packaged if possible, with the ingredients listed to protect for those with various allergies. We're asking that you contact Gayle at 248.330.3245 or myself at 517.262.6314 and we'll give you more details of where to drop off your donations, packaging, etc. That will also give us an idea of how many cookies or cookie bars we have coming in.

COUPLE OF THE YEAR / INDIVIDUAL OF THE YEAR

Couples and Individuals, we need you to agree to help for an hour or two to "man the booth" and help with the selling process.

Wear your medallions! Let others in the Wild West get to know you!

Have Fun!! Help "round up" some sales for the good of the "ranch."

And I'll say it again, Have Fun!! Give us a call to let us know you are available, and we will call you back with a time. We don't have exact times for the sale right now, but we will once the schedule is more final.

Chapter Directors, be on the look out for the flier that's coming your way. A great way to get your members involved and having fun.
Thanks!

I know this has been a long one, and I appreciate you taking the time to read the information about the Selection Process for Chapters and Districts, and for starting to make plans on how you can help sweeten up the Wild West!

Blessings,
Carol Williams

MEDIC FIRST AID / CPR / AED

I want to begin by thanking, once again, Sandy Blackburn for coming to my rescue on May 7th. I was to teach the MFA/CPR/AED class in Adrian for Chapter W, but instead found myself in the hospital having surgery once again. Three fun days... But thanks to Sandy, I was covered and Chapter W members were able to learn, be reminded of things they had learned, keep their levels current, and share time with each other. A save all the way around. Hey, we're all about saves, right...

As of this writing, there are no classes scheduled. It is a very busy time of year coming on all of us, which makes it difficult to plan and hold a class. But not impossible! If your Chapter is still needing/wanting a class, please fill out the request form and send it to Dennis. This is where having the three dates will be really important, so that we can hopefully have one of our three instructors available. For myself, there are some Tuesdays or Thursdays that I could do a class if that would work better for you than a Saturday.

Remember we're back to a minimum 6 per class, maximum 12, for one instructor. Two are needed for a class of 13-24. Still only \$25 per person.

Looking forward to seeing you all in a class!

Thanks,

MOTORIST AWARENESS

Motorist Awareness Month may be technically over, but that in no way means we give up the 'fight' to educate drivers about learning how to drive without distractions, and even more importantly to educate drivers about how to watch out for all types of motorcycles and other vehicles on the road.

It's about educating them as home owners to not blow their grass into the road when mowing their lawns. It's about educating them about why a motorcycle may be moving back and forth within their lane going down the road. About why they pass the semi's so quickly and then slow back down to a safe speed. It's about educating them in the dangers of tailgating, and about the differences in the distance that it takes a bike and trike to stop versus a car.

It's about educating passengers in vehicles and children riding in the vehicles about how to help the driver watch out for motorcycles. It's about educating them to do their very best to not distract the driver. It's about educating teens when they are learning to drive about all the dangers of distracted driving, and how they can encourage other teens to drive in a safe manner, watching out especially for motorcycles. These safer driving lessons are easier learned from the beginning, than trying to learn them later on when they have to change all those bad habits.

Thank you to all those who did do something during May to educate motorists. Chapter E held an event at a rest area along the highway, talking with motorists and handing out information. Awesome job!!! Chapter J offered up a unique idea of wearing your gear on May 14th no matter what you did. Even to wearing their helmet when mowing their lawn! Not sure of all that participated, but it was a unique idea

and we can't wait to hear the results. Chapter J2 had planned an event but basically at the last minute, that fell through. But, they are beginning their weekly bike nights and will be passing out brochures and talking with people each week. If your Chapter did do something to promote Motorcycle Awareness, and we did not list it here, it's because we weren't aware. Please let us know, because we'd love to share your event, too.

We'd like to thank all of the Chapter Motorist Awareness persons who help promote safe driving and help to educate people. Remember that brochures to pass out to people are free from the National site, including free shipping. Please take advantage of this awesome resource.

Lead by example and be an Aware Motorist in 2022!

Thanks,

Randy & Cheryl Wiggins

So sorry that I did not contribute to the Newsletter last month. We were out on the road, enjoying life and neglecting our responsibilities. BUT!!! We were having a good time! Its June already we are nearing our halfway point of the year. I hope you have been doing a lot of riding. I know that our temperatures have been all over the place, so it makes it hard to plan for a ride. It would be nice to just have a gradual warm up, so we get somewhat accustomed to the warmer temperatures.

Randy and I have been spending a lot of time on our bikes. In April we went down to Tennessee for their spring rally. We had a really good time and were able to sell 180 District raffle tickets. We also bought some from some other states, so you never know we could be Thousand-airs someday.

We met some new people while standing in line for ice cream one afternoon. We may be seeing them again at Wing Ding this summer. We got a great deal on a hotel, so we were able to stay a few extra days and do some riding around on their fantastic roads. We took a lot of roads that are a little on the obscure side and had a lot of fun with very little traffic, other than riding through Pigeon Forge, which always has a ton of traffic. We were able to eat at one of Randy's favorite fast-food places, Bojangles and get their Bo-Berry Biscuits. Yum!

In May we headed to Southeast Ohio to do some riding with friends of ours. We went down with the intention of riding some routes out of Zanesville, OH but ended up only riding two of them and making up our own routes the rest of the time. We managed to put over 1800 miles on our bikes and had a wonderful

time. We stayed about 40 miles away from Zanesville in a Best Western which we got for only \$50 a night and were pleasantly surprised when it was in good condition, had a warm swimming pool and it was very clean. The best food we ate was at a little place called Roberta's Diner in Warsaw, OH on US 36. Normally we would have driven by, but everyone needed a break from our riding and there were parking spaces here.

Summer is ramping up and I hope you take advantage of the opportunities for rides and events to attend. Several campouts, Ohio's Rally, Wing Ding and then our own District Rally. Please start looking for things that you want to donate to the Chinese Auction this summer. Looking for items in good and clean condition.

Hope you have the opportunity to ride with us this summer and looking forward to seeing you soon.

DUC Corner (District University Coordinator)

Happy start of summer and a lot of fun events/rides. This month I will be highlighting a few of the GWRRA Class. These can be taught at a gathering or in a park with a sack lunch on a ride.

Topic: Can you hear me now? – Communication

Objectives/Outcome: Increase communication in order to increase participation.

Topic: New Member Orientation

Objectives/Outcome: To become more familiar with Gold Wing Road Riders Association. Identify resources, points of interest, benefits and opportunities.

Topic: Stress Less – Stress Management

Objectives/Outcome: Provide participants with strategies for handling stress.

Topic: Bee Smart – Train Your Brain

Objectives/Outcome: Participants will learn ways to keep their memory sharp and their mental acuity intact as they age. Learn to adopt a healthy lifestyle, manage stress, and challenge your brain to keep it fit.

So, if you are looking for a training class, please let us know and we will work with you to get an instructor.

Until next time, remember training is FUN (as well as educational).
